Horoscope by Frances Drake

For Thursday, Jan. 30, 1997
ARIES
(March 21 to April 19)
You're friendly yet serious. Others
are impressed not only by your
charm, but also by your conscien-
tiousness. You're there when it
counts.

TAURUS
(April 20 to May 20)
Face an issue head-on instead of
trying to duck it. You'll find the right
words to express what you mean.
Pay little heed to a snide remark and
creative powers are accented.

GEMINI
(May 21 to June 20)
Fantasy in love must give way to
seeing things clearly. Take the
trouble to state your case before
giving way to any displays of tem-
perament. A child needs some atten-
tion.

CANCER
(June 21 to July 22)
A critical point is reached in a
friendship that is in danger of dis-
solving. You need to draw the line
when others play unfair. Thinking is
sharp with domestic interests and
clear decisions are easily reached.

LEO
(July 23 to Aug. 22)
You'll be thinking of ways to invest
your money now and in the coming
weeks. Talks with realtors and bank-
ers are favored. Keep peace at home
in the evening.

VIRGO
(Aug. 23 to Sept. 22)
Problems from yesterday spill over
into this workday. Imagination gets
free play in creative work, but in
business, it's a time of wheeling and
dealing. After dark, you're exhausted
but happy with your accomplish-
ments.

LIBRA
(Sept. 23 to Oct. 22)
You're enthusiastic about a new
project and are on the same wave-
length with friends. Things go your
way, but don't be too impulsive.
Think before acting.

SCORPIO
(Oct. 23 to Nov. 21)
You feel a relative is being unreas-
onable in making some demands on
your time. Partners could plan some
time away for themselves. Be care-
ful in real estate negotiations.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You'll lay important groundwork
in a business or financial matter,
but don't expect immediate results.
Accent proper planning. Evening
hours accent family harmony and
togetherness.

CAPRICORN
(Dec. 22 to Jan. 19)
Buying and selling aren't espe-
cially favored. Steer clear of gam-
bling and those who would take ad-
vantage of you financially. Accent
intellectual creativity instead.

AQUARIUS
(Jan. 20 to Feb. 18)
Continue with innovative domes-
tic planning. It's not the best time for
concentrating at work or for getting
your ideas across. Watch the fine
print before agreeing to anything of
a binding nature.

PISCES
(Feb. 19 to March 20)
You'll make progress financially
but shouldn't advertise your moves.
A low profile is your best course of
action. Evening hours bring escapist
tendencies to the fore.

YOU BORN TODAY do better
when you're able to work alone. You
have the ability to make the most of
your creative talents. The written
word in particular is likely to bring
you the most success and happiness.
You also are attracted to writing for
the stage or screen but need quiet
and calm surroundings in order to
flourish. Romantic in nature, you
settle down later in life once you've
exhausted the field.

dicated financial columnist; Phil
Collins, musician; Charles S. Dutton,
actor.
