Horoscope by Frances Drake

For Friday, March 7, 1997
ARIES
(March 21 to April 19)
You need to avoid impatience. If
not, you'll be tripped up at every
turn. The evening looks good for
diversions and romantic activities.
TAURUS
(April 20 to May 20)
Don't be so quick to take on more
work. It's possible you don't have the
time to tend to it properly. Someone
in authority is testing you.
GEMINI
(May 21 to June 20)
You are liable to make a faux pas
when speaking with those in author-
ity. Do what needs to be done to set
things straight. Later in the day,
avoid daydreaming.
CANCER
(June 21 to July 22)
You are taken by surprise by a
friend who seems to disagree with
everything you say. The friend is
just aching to pick a fight. Avoid
contact for the time being.
LEO
(July 23 to Aug. 22)
There is so much on your schedule
to be accomplished, you're going to
have to rush to complete it. Don't be
afraid to enlist a co-worker's help.
Much is ultimately accomplished.
VIRGO
(Aug. 23 to Sept. 22)
You are the fair-haired employee
at work and can seemingly do no
wrong. Take full advantage, espe-
cially where bigwigs are concerned.
Romance requires compromise.
LIBRA
(Sept. 23 to Oct. 22)
Those around you find you over-
bearing and pretentious. While it's
true you have good ideas, not every-
one wants to listen to you. Find a
more-diplomatic approach.
SCORPIO
(Oct. 23 to Nov. 21)

Something left over from yester-
day needs to be completed during
the morning. In general, you don't
accomplish as much as you thought
you might.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Your romantic relationship suf-
fers if you continue to insist on get-
ting your own way. In business, your
originality and charm come to the
fore.
CAPRICORN
(Dec. 22 to Jan. 19)
Your ego is getting ahead of your
actual accomplishments, so be sure
to check that. You have a tendency to
put your foot in your mouth when
bragging about yourself.
AQUARIUS
(Jan. 20 to Feb. 18)
Be sure you temper your enthusi-
asm with common sense. You'll make
more progress if you don't push the
point. At night, family life is reward-
ing.
PISCES
(Feb. 19 to March 20)
You are brimming with good in-
tentions, but avoid giving advice.
Not everyone thinks you can solve
all problems! The evening favors
interests of the heart.
YOU BORN TODAY are unsure of
yourself and insecure early in life.
However, once you conquer that shy-
ness, you are a force to be reckoned
with, both personally and in busi-
ness. You have a keen sense of right
and wrong that attracts you to a
career as a lawyer or judge. Politics
is a possibility, provided you can
comfortably deliver speeches to large
groups of people. You have intense
emotions and need to be reassured
that you're loved.
Birthdate of: Joe Carter, baseball
player; Ivan Lendl, tennis player;
John Heard, actor.
