**Horoscope by Frances Drake**

For Thursday, March 13, 1997  
**ARIES**  
(March 21 to April 19)  
You'll be receiving a lovely invitation from a friend. There's some tendency to overdo when socializing. You'll be making plans for travel after dark.  
**TAURUS**  
(April 20 to May 20)  
There's a tendency to let your work slide early in the day. Guard against laziness. Loved ones will enjoy some time alone together but the evening brings a burst of extra energy.  
**GEMINI**  
(May 21 to June 20)  
You'll make a good impression on those you contact. You could go overboard, however, with home entertainment. Extra drive brings you results in business.  
**CANCER**  
(June 21 to July 22)  
Don't let idle chitchat get in the way of your progress on the job. A lovely invitation to visit someone comes during the afternoon. Feelings grow deeper in romance, so accent togetherness.  
**LEO**  
(July 23 to Aug. 22)  
You're good at getting your ideas across to others, but a touchy situation could arise with a friend about a financial matter. Enjoy a group activity later in the day. However, guard against overly exerting yourself.  
**VIRGO**  
(Aug. 23 to Sept. 22)  
You'll be pleased with the results of a talk with a higher-up, but you could feel a competitor of yours plays unfairly. Maintain harmonious relations with important ties. Evening hours are perfect for matters of research.  
**LIBRA**  
(Sept. 23 to Oct. 22)  
A higher-up is not quite ready to reveal his or her hand. Although you're charming, articulate and convincing, others may not be ready to meet you halfway. Curb that tendency toward impatience.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
It's best to keep working on a project rather than to present it to others in the short-term. Good insights arise about finances. Your powers of concentration are excellent.  
**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
You could experience mixed feelings about a business proposition made to you by a friend. You'll have a better time with family rather than socializing with your friends. However, the evening looks good for parties or get-togethers.  
**CAPRICORN**  
(Dec. 22 to Jan. 19)  
You'll get conflicting advice about a business concern. Socially, this is a fortunate time for you. Travel opportunities arise and visits with friends are favored.  
**AQUARIUS**  
(Jan. 20 to Feb. 18)  
You'll be busy with a work-related project. You have new ideas that you're anxious to put in motion. Some of you will begin a home-improvement project after dark.  
**PISCES**  
(Feb. 19 to March 20)  
You couldn't have a better time for the beginning of a creative project or recreational activities. Children are a source of delight. Singles will meet with romantic introductions during evening hours.  
**YOU BORN TODAY** work well with groups and often achieve a position of leadership in that capacity. Although anxious for material success, you're basically an idealist at heart. You are intellectual and practical but are also blessed with a good imagination. You can succeed in banking and may also be drawn to an artistic career. You are charismatic and charming, particularly where the opposite sex is concerned.  
Birthdate of: Dana Delany, actress; Adam Clayton, musician; Neil Sedaka, singer/composer.
