Horoscope by Frances Drake

For Tuesday, April 1, 1997
ARIES
(March 21 to April 19)
It's best to play your cards close to
the chest where business interests
are concerned. You're right to have
misgivings about becoming involved
in someone else's problems. Don't
make them into your own headache.
TAURUS
(April 20 to May 20)
You should be a bit socially, but try
not to overdo it. Be sure to keep the
secret that someone confides in you.
During evening hours, you have
mixed feelings about going out.
GEMINI
(May 21 to June 20)
Make sure everything is fair and
square in business. Be leery of those
who would take advantage. Shop-
pers could find themselves return-
ing an item.
CANCER
(June 21 to July 22)
In some way you're inclined to be
extravagant. In making plans for
travel, be sensible. You could be
shopping for new clothes and other
things you require.
LEO
(July 23 to Aug. 22)
Business and pleasure combine to
your advantage in the coming weeks.
A lovely social invitation comes your
way. Evening hours, though, bring a
slight change in plans.
VIRGO
(Aug. 23 to Sept. 22)
Although you'll make a good im-
pression on others in business, you
could find it difficult to concentrate
on routine work. A change in sched-
ule could throw you off course. Try to
go with the flow.
LIBRA
(Sept. 23 to Oct. 22)
You're always ready to help, but
make sure someone is not taking
advantage of your good nature.

Friends and money don't mix at
present. Be protective of credit.
SCORPIO
(Oct. 23 to Nov. 21)
A difference of opinion could arise
with an adviser. Some travel plans
are put on hold. You're serious after
dark, but try to avoid getting down.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Partners work well as a team. It's
a grand day for you socially with
romantic introductions coming to
those eligible. Luck is with you on
home matters as well.
CAPRICORN
(Dec. 22 to Jan. 19)
An early start brings you job
progress, but the evening could be
anticlimactic. Still, you should be
hearing some good news, especially
those of you in creative fields.
AQUARIUS
(Jan. 20 to Feb. 18)
Common sense is your ally on the
job. You're efficient and able to get
your ideas across to others. A sur-
prise invitation could come through
a fellow employee.
PISCES
(Feb. 19 to March 20)
You have excellent rapport with
both children and partners. The sign-
ing of contracts is favored as well.
Evening hours accent togetherness
and fun times.
YOU BORN TODAY are independ-
ent yet not overly so. You have an
aptitude for leadership and like to
pave the way in an innovative man-
ner. You have a mystical, poetic side
as well, and can succeed in creative
areas. You are often tested when in
a position of power. A professional or
artistic career is liable to interest
you more than business.
