## Horoscope by Frances Drake

For Monday, April 7, 1997  
**ARIES**  
(March 21 to April 19)  
You'll be bringing a project to a  
successful conclusion. Extra ex-  
penses could arise or perhaps it's  
you who's overspending. Travel  
should prove glorious!  
**TAURUS**  
(April 20 to May 20)  
You could have some inner doubts  
or worries about a partnership. Still,  
going out for good times is favored.  
Some consider an investment in an  
art object or other gewgaw.  
**GEMINI**  
(May 21 to June 20)  
Guard against an early-morning  
argument. Business negotiations  
could be time-consuming and te-  
dious, but a breakthrough occurs  
late in the day. Persevere and utilize  
your concentration.  
**CANCER**  
(June 21 to July 22)  
Try to avoid a quarrel about money.  
Find ways to cut down on possible  
expenditures in connection with a  
trip you need to take. You'll be  
pleased with what transpires in a  
meeting with an adviser.  
**LEO**  
(July 23 to Aug. 22)  
Be careful of what financial obli-  
gations you assume. You could be  
getting in over your head. Apply  
yourself to the job and you'll make  
valuable progress.  
**VIRGO**  
(Aug. 23 to Sept. 22)  
If you have any doubt about  
another's motivations, now's the time  
to straighten things out with a heart-  
to-heart talk. Couples make travel  
plans together. However, these  
needn't be overly extravagant.  
**LIBRA**  
(Sept. 23 to Oct. 22)  
You could be personally extrava-  
gant and you also may meet with an  
unexpected expense. Good news  
comes from a distance. Romance and  
social life are favored after dark.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
Your personality is an asset to you  
in business, but guard against plans  
that are overly expansive. A partner  
acts in some way that is out of char-  
acter. Try to get to the bottom of this.  
**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
You and a partner are on the same  
wavelength, but problems could arise  
before day's end in connection with a  
friendship. Neither lend nor borrow  
money. Financial transactions are  
not favored.  
**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Morning hours are your best time  
for business interests. Later, you  
could get bogged down by some red  
tape. Don't expect immediate re-  
sponses from others, even though a  
partnership matter concerns you.  
**AQUARIUS**  
(Jan. 20 to Feb. 18)  
You could receive a valuable finan-  
cial tip and you could also be consid-  
ering an unusual investment. Know  
when to be silent. Unsolicited advice  
should be ignored.  
**PISCES**  
(Feb. 19 to March 20)  
You'll welcome the day's social  
opportunities. Those eligible will  
meet with romantic introductions.  
Do guard against an excessive use of  
credit.  
YOU BORN TODAY are likely to  
experiment before settling on a ca-  
reer. You're not content with an or-  
dinary 9-to-5 existence and always  
look for the unusual. You have an  
active, intelligent mind and need to  
always be stimulated to keep your  
interest in whatever you're doing.  
Government and politics appeal, as  
well as brokerage and the stock  
market. Your charm and charisma  
are assets to you.
