IN CREATING THIS SPORTSPAGE, NIKE HAS MADE EVERY EFFORT TO ACCURATELY PRESENT THE TIME AND LOCATION FOR UPCOMING ATHLETIC EVENTS ON CAMPUS. WE REGRET ANY SCHEDULE CHANGES OR MISTAKES. IF YOUR CLUB OR INTRAMURAL SPORT WASN'T COVERED, LET YOUR NIKE STUDENT REP KNOW AND WE'LL TRY AGAIN NEXT MONTH.

DOING IT...

For more than 20 years, Bruce Mason has used a backpack as his briefcase and traveled over snow-capped

peaks and through blooming meadows on various "business trips." He has mountain biked over pinnacles in Tibet, kayaked down rivers in Nepal, and even trekked up the side of Mt. Everest.

When it came time to search out the perfect position for employment, instead of using job banks and career counselors Mason called on his heart and soul for peer advising. And under their guidance, he accepted a full-time position with the University of Oregon Outdoor Program.

Mason uses the U of O Outdoor Program as home base, but usually spends just enough time there to pick up a few companions for his next outdoor excursion. Luckily, with the thousands of students who use the Outdoor Program each year, there's no shortage of travel partners to choose from.

SIDE LINES

Remember Ducks, there's still plenty of time to sign up for the NIKE Swoosh Challenge coming to campus on April 19-20. The winning team gets an all-expenses paid trip to NIKE headquarters to compete against five other teams from around the nation . . .

This is not a company picnic. Teams of six students (three men, three women) will compete in a series of events including a mini-triathlon, flag football, and Speed Agility Quickness (S.A.Q.) stations. Winning teams from around the country will be brought to NIKE HQ in Beaverton to compete for the Swoosh Challenge Championship.

The event will take place **April 19-20**. See the Recreation Center to pick up an entry form. Individual entrants are welcome; if you don't have a team lined up, we'll help you find one. Twenty students to sign up their teams will receive a pair of NIKE shoes for themselves and t-shirts for their teammates.

The Swoosh Challenge will be fun. It also will be hard. Start limbering up.
