Horoscope by Frances Drake

For Wednesday, April 16, 1997
ARIES
(March 21 to April 19)
You can't expect others to respond positively if you keep changing your position. More planning is needed concerning a career endeavor. Be practical.
TAURUS
(April 20 to May 20)
Although you see both sides of a question, you still might not reach a conclusion. Career strivings meet with success. Take the initiative.
GEMINI
(May 21 to June 20)
Once you put your mind to it, you straighten out a domestic situation. You receive good advice about your new, imaginative career plan.
CANCER
(June 21 to July 22)
Your attitude toward money could be inconsistent. A penny-wise and pound-foolish mood is apt to prevail. Later in the day, romance is promising.
LEO
(July 23 to Aug. 22)
You're not easily mollified by an inconsiderate friend's apology. However, try to be more understanding. Your friend is really being sincere.
VIRGO
(Aug. 23 to Sept. 22)
To ensure career success, be more willing to cooperate. You should end the day in a better financial position. A family member has a happy surprise during evening hours.
LIBRA
(Sept. 23 to Oct. 22)
You want to go out on a limb for someone. However, be sure you examine all aspects of the situation before joining the fray. Your judgment could be off.
SCORPIO

(Oct. 23 to Nov. 21)
It could be back to square one with a career project; if so, this time you're on the right track. Catch up on reading and correspondence. Later in the day, go over financial records.
SAGITTARIUS
(Nov. 22 to Dec. 21)
In the morning, you might want to go off by yourself to reach a solution to that problem. However, someone close to you has a good suggestion.
CAPRICORN
(Dec. 22 to Jan. 19)
It could take awhile for you to figure out where a close tie is coming from. You might develop new friendships. A creative opportunity is coming your way.
AQUARIUS
(Jan. 20 to Feb. 18)
Although new sources of credit could arise, you need to guard against unwise financial decisions. Housework could slide a bit. At night, be sure to get enough rest.
PISCES
(Feb. 19 to March 20)
Socializing could be more costly than you'd imagined. Either you or someone you love leans toward extravagant behavior. Be sure to guard against that.
YOU BORN TODAY have quite an imagination. If you give it free rein, you can become a successful writer of novels. It seems there's always a crisis facing you, and you often look to others for help. Show business appeals to you. An early tendency toward insecurity is successfully overcome, and you can go after what you want aggressively and confidently.
