Horoscope by Frances Drake

For Tuesday, April 22, 1997
ARIES
(March 21 to April 19)
Partnership interests are highlighted early in the day. It's time to pay a visit to someone you haven't seen in a while. Some of you will be signing a contract soon.
TAURUS
(April 20 to May 20)
Although your mind is on new ways of making money, you also clear up some old bills you've been putting off. Dealings with bankers and investment counselors are favored.
GEMINI
(May 21 to June 20)
New work opportunities come your way. Money and friendship do not mix very well. Partners feel closer to each other. Domestic changes should go smoothly.
CANCER
(June 21 to July 22)
You can bring a lost cause back to life in business. Some make plans for that dream vacation or pleasure cruise. You should listen to a partner's idea.
LEO
(July 23 to Aug. 22)
Business demands could cut into time you meant to spend with a close tie. You could feel a parent or higher-up doesn't understand your point of view.
VIRGO
(Aug. 23 to Sept. 22)
A business tie or adviser remains unsympathetic. Carry on with what you're doing, even if you feel others aren't especially supportive.
LIBRA
(Sept. 23 to Oct. 22)
You are inclined to spoil a child a bit. New starts in business are favored, provided you've done your homework. Self-discipline lets you accomplish more than usual.

SCORPIO
(Oct. 23 to Nov. 21)
You could be attending to a matter in connection with a child's education. Creative types should meet with agents and representatives. Go out in the evening.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Partners are receptive to your ideas. You make plans to go somewhere special after dark. A social contact proves helpful to you.
CAPRICORN
(Dec. 22 to Jan. 19)
You're on the ball where career interests are concerned. You might not agree with an adviser. Romantic feelings grow deeper and more urgent.
AQUARIUS
(Jan. 20 to Feb. 18)
A luncheon date is a good bet. Toward nightfall, you might not be in the mood for going out. A romantic question remains unanswered.
PISCES
(Feb. 19 to March 20)
It's a day when you make little changes around the house, but you feel that others aren't especially responsive to what you have done. Guard against oversensitivity.
YOU BORN TODAY are sensitive and imaginative, disposing you well toward a career in the arts. You have no real appreciation for the business world and feel those matters are best left to others. In romance, you are dreamy and idealistic and seek to find someone who possesses the same qualities. You are given to periods of laziness and need to guard against that. You enjoy spending time pursuing matters of a philosophical nature.
