Horoscope by Frances Drake

For Tuesday, April 29, 1997
ARIES
(March 21 to April 19)
You could receive a gift. Be careful that a quarrel doesn't arise between you and a friend about money. You might not like advice you receive.
TAURUS
(April 20 to May 20)
You have a lot to say and will speak out on the issues that concern you. Others are responsive to what you have to say. Evening visits with old friends are favored.
GEMINI
(May 21 to June 20)
It's not a good time for pursuing career interests. Concentrate instead on family and home life. Your judgment is sound when shopping. A relative has some happy news.
CANCER
(June 21 to July 22)
It is a good time for shopping and getting things accomplished around the house. A relative asks a favor of you. You enjoy quiet pastimes after dark.
LEO
(July 23 to Aug. 22)
You're good at expressing yourself, but some you deal with are either evasive or unpredictable. Pleasure comes through travel and creative interests.
VIRGO
(Aug. 23 to Sept. 22)
You hear from someone with whom you had no intention of dealing. A friend has an idea that excites you. Creative work is favored. You have fun traveling.
LIBRA
(Sept. 23 to Oct. 22)
It is not a good time for pushing business interests, but you can find joy through shopping and home-based activities. Tackle those projects you've been postponing.

SCORPIO
(Oct. 23 to Nov. 21)
You visit a bookstore or library. An article you read fascinates you. Some receive a work assignment that can be done from the home.
SAGITTARIUS
(Nov. 22 to Dec. 21)
You have good ideas, but don't get discouraged if you don't get the feedback you desire. You are definitely on the right track, even if others are indifferent.
CAPRICORN
(Dec. 22 to Jan. 19)
You could rise to a position of leadership in connection with a group interest. It's not the best time for company. You make an important family decision.
AQUARIUS
(Jan. 20 to Feb. 18)
An idea on the back burner gets new life. Financial discussions are confidential. Don't withdraw into yourself. Place the accent on fun activities.
PISCES
(Feb. 19 to March 20)
A disappointment could arise in connection with a parent or a career concern. You're charming and effervescent during the day, but after dark, someone could get your goat.
YOU BORN TODAY have philosophical and literary tendencies. You do well in crises and are quick to rebound from setbacks. You're experimental by nature, but should avoid haste in your choice of occupation. You probably have a talent for making money and are a good writer. You have a determined will and are self-assured and self-disciplined.
