Using A Sketchbook/Journal

with Marilyn Reaves
Saturday, May 10th
1-3 p.m. Downstairs

A sketchbook/journal has many possible uses: a place for drawing and doodling, a place to quickly jot down fleeting ideas, a means to process experience in words and pictures, a "studio on the go," a scrapbook and life record. This workshop will cover choosing the right kind of sketchbook for your needs, suggestions for putting together a portable art kit (selecting brushes, paints, pencils, pens, etc.) and some quick sketch techniques for watercolor and colored pencil.
