For Saturday, May 17, 1997

ARIES
(March 21 to April 19)
Home-based plans are favored over outside activities. You can find ways to improve your financial security. A child could need more attention.

TAURUS
(April 20 to May 20)
You make long-range plans for financial security. You're on the right track regarding a career matter, and you are in the mood to work overtime on it.

GEMINI
(May 21 to June 20)
Your anger could cloud your judgment. Later, there's a tendency to let details get the best of you. Opt for pleasurable pursuits in the evening.

CANCER
(June 21 to July 22)
There's much going behind the scenes, and all of it is positive. In planning an important career change, you receive support from family and friends.

LEO
(July 23 to Aug. 22)
Developments at home are positive. You receive surprising news from a trusted friend. A job development that is to your liking will occur in the coming weeks.

VIRGO
(Aug. 23 to Sept. 22)
Watch out that you don't say something flippant. Your ability to see the larger picture helps you make productive long-range business plans.

LIBRA
(Sept. 23 to Oct. 22)
You could be getting rid of some clutter and adding a new piece of furniture to your abode. Distractions could interfere with what really needs to be accomplished.

SCORPIO
(Oct. 23 to Nov. 21)
The day is not favorable for work interests. However, your determination can reap rewards. In the evening, a friend might be a tad demanding.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You're on the same wavelength with a partner, but could be upset by a close friend's behavior. If you're witty — and perceptive — all turns out for the best.

CAPRICORN
(Dec. 22 to Jan. 19)
You're opening doors in business. While you are charismatic, don't get carried away with your self-image. You of all people should know it's only a facade.

AQUARIUS
(Jan. 20 to Feb. 18)
Deal with minor domestic concerns. Your personality goes over well in business dealings. It's an excellent time to meet with bigwigs.

PISCES
(Feb. 19 to March 20)
There could be a few false starts with a loved one who keeps you waiting. The unreliability of others is a definite concern. The evening, though, should be harmonious.

YOU BORN TODAY are idealistic, but also are aware of a good opportunity when it knocks. You have a good head for business and usually can capitalize on your artistic talents. A career in television, radio or the theater is yours for the asking. You're practical but inclined to reminisce, as you value the past and have learned much from it.
