Horoscope by Frances Drake

For Thursday, June 26, 1997

ARIES
(March 21 to April 19)
You've overstepped your bounds with your joint finances. Remember, not all that money is yours to do with as you please. Make amends in the evening.

TAURUS
(April 20 to May 20)
Although you're just brimming over with new ideas, it's not the best time to get them across to others. Instead, spend the day shopping and gadding about.

GEMINI
(May 21 to June 20)
You want nothing to do with the serious side of life. Instead, you want to enjoy social times with friends and loved ones. Feel free to indulge yourself.

CANCER
(June 21 to July 22)
There are many social invitations coming your way. Be discriminating when deciding the ones to accept. The right event could bode well for your future in terms of your career.

LEO
(July 23 to Aug. 22)
Although you're bound and determined to enjoy yourself, remember that you've got responsibilities. Don't be tempted to take on a project for that you're unqualified.

VIRGO
(Aug. 23 to Sept. 22)
You're betwixt and between when it comes to making a certain purchase. Lean toward the middle on this one. Don't spend too much, but don't buy junk, either.

LIBRA
(Sept. 23 to Oct. 22)
You're usually more cautious, but someone has been handing you a line. Stop trusting in this person. Your best interests are not on this person's agenda.

SCORPIO
(Oct. 23 to Nov. 21)
You are tempted to overindulge either in food or drink, or both. However, this isn't in the best interest of your health. Make an effort to communicate with a loved one.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You are taken aback by unexpected company. While your mate takes this in stride, you are less than gracious. Try to avoid embarrassing everyone.

CAPRICORN
(Dec. 22 to Jan. 19)
While you'll be out and about socially, you should still set time aside for tasks at hand. It's best to tend to what must be done early in the day. The evening is good for social pursuits.

AQUARIUS
(Jan. 20 to Feb. 18)
You are a bit miffed by a friend who always promises more than is actually delivered. Don't be taken in this time. Instead of sitting at home and waiting, go about your own business.

PISCES
(Feb. 19 to March 20)
A family member disappoints you by not showing up to an important family event. However, don't be too hard on this person. There's a good reason for this.

YOU BORN TODAY are intense, driven and determined. No matter what the project, you give totally of yourself. You expect the same from those around you, which is a great source of conflict in your life. It is incomprehensible to you that others are not as dedicated as you. As a result, you often find yourself on the losing end of a relationship. You excel at military life and can follow orders as well as you can give them.

Birthdate of: Billy Davis Jr., singer; Mick Jones, musician; Chris O'Donnell, actor.
