Horoscope by Frances Drake

For Thursday, July 3, 1997
ARIES
(March 21 to April 19)
You have a good head for facts and figures. A career opportunity could drop into your lap. Your intuition gives you the proper timing with close ties.
TAURUS
(April 20 to May 20)
Don't be taken in by a newcomer's charm. You don't have to be suspicious but ready acceptance is not the answer either. Try to utilize better judgment.
GEMINI
(May 21 to June 20)
Avoid business involvements, especially where friends are concerned. Put less of an emphasis on superficial things and more on the spiritual side.
CANCER
(June 21 to July 22)
Costs are a consideration regarding a proposed trip. If you don't have the answers you need in business, you'll just have to wait. Don't become unduly impatient as a result.
LEO
(July 23 to Aug. 22)
You need to find a middle ground between being too suspicious and too trusting. Getting along with others requires some cooperation on your part.
VIRGO
(Aug. 23 to Sept. 22)
You're in the mood to expand your horizons through travel or education. Some plans involve children. Prospects on the job look glorious.
LIBRA
(Sept. 23 to Oct. 22)
Although a long-range career plan looks promising, you're feeling the heat of competition. Not all the information you receive is reliable. Conflict is likely at home after dark.

SCORPIO
(Oct. 23 to Nov. 21)
You're the wheel-dealer in business and take important steps to guarantee your financial future. Play it close to the vest. Don't let others throw you off track.
SAGITTARIUS
(Nov. 22 to Dec. 21)
A monetary concern could upset a friend. You're in the mood for something different in the way of travel. Partners are supportive about career plans.
CAPRICORN
(Dec. 22 to Jan. 19)
You have an ideal day to handle property matters. You should come out on top financially. Family life is highlighted during evening hours.
AQUARIUS
(Jan. 20 to Feb. 18)
Happiness comes through the children in your life. Make plans for evening entertainment. Leisure, romance and recreation are your keys.
PISCES
(Feb. 19 to March 20)
Your words gain respect. Luck comes through to you or to a partner. A money matter remains unsettled. Domestic interests should go smoothly, especially after dark.
YOU BORN TODAY are idealistic, with an interest in reform and politics. A charismatic leader, you would make a good government official. Cultivate originality and you'll make an important creative contribution. You have a good head for business but do not emphasize financial security to the detriment of your individuality. A professional career probably appeals to you. Music might be a hidden talent.
