Horoscope by Frances Drake

For Tuesday, July 8, 1997

ARIES (March 21 to April 19)
Progress is mixed on the job. After a sluggish beginning, you'll be working extra hard to make up for lost time. The day ends on a note of accomplishment.

TAURUS (April 20 to May 20)
You'll really put your heart into this day's work project, since it utilizes your best talents. Income should improve and shopping is a plus. The evening places the accent on far-away romance.

GEMINI (May 21 to June 20)
A child has an unfortunate tendency to talk back and this makes you angry. An invitation has strings attached. Career interests seem muddled for a while, but by day's end, you have a clearer perspective.

CANCER (June 21 to July 22)
You're ready to do some major shopping, but you could have difficulty making up your mind as to what brand to buy. You will feel especially close to a friend. A quiet evening is best.

LEO (July 23 to Aug. 22)
Money due you from a friend probably won't be paid back for a while. There could be difficulty with one job assignment. You'll have a charming conversation with someone at a distance.

VIRGO (Aug. 23 to Sept. 22)
You're in a contemplative and reflective mood. You'd like nothing better than to curl up with a good book or get in touch by letter with friends from afar. Someone confides in you.

LIBRA (Sept. 23 to Oct. 22)
You'll be attending to some necessary repairs around the house. In business, you'll meet with new chances for recognition and success. You have extra energy.

SCORPIO (Oct. 23 to Nov. 21)
You could find something unusual for yourself when shopping. Judgment is excellent about money. It's a good time to buy, sell or to get appraisals.

SAGITTARIUS (Nov. 22 to Dec. 21)
Partners work well as a team. You'll be making decisions affecting a child's welfare. Evening hours bring you opportunities and benefits through friendship.

CAPRICORN (Dec. 22 to Jan. 19)
You could take the family somewhere for a special outing. A new hobby has a great fascination for you. Creative interests are heightened as are activities with children.

AQUARIUS (Jan. 20 to Feb. 18)
Studying leads to important insights. You might have to engage in research at a local library. Communicative skills are tops and you express yourself to good advantage.

PISCES (Feb. 19 to March 20)
Sometimes, you make grandiose statements. Make sure you follow through on promises made to close ties. Evening hours favor get-togethers with friends.

YOU BORN TODAY are intuitive and inventive. You usually have a knack for business, but often you would be happier in an artistic or professional career. You have an interest in the rights of others and would make a good politician or public servant. You have leadership abilities and often become known as a person who does his or her own thing.
