Horoscope by Frances Drake

For Tuesday, July 15, 1997

ARIES (March 21 to April 19)
The focus is on job concerns, but don't let impatience mar your efficiency. The evening finds you in a social mood. You'll be enjoying new friendships then.

TAURUS (April 20 to May 20)
Temperament could be a problem for you or a close tie as the day begins, but cooperative efforts are favored later in the day. New insights come about investment concerns.

GEMINI (May 21 to June 20)
A child could test your patience. Matters regarding long-range financial security are foremost on your mind. However, a sudden urge to go places and do things takes hold during evening hours.

CANCER (June 21 to July 22)
Getting along with a co-worker could be a problem, though you're on the right track where career interests are concerned. Be ready to make that move!

LEO (July 23 to Aug. 22)
You seem to do better on your own than in concert with another where career interests are concerned. After dark, you'll be making some new friendships.

VIRGO (Aug. 23 to Sept. 22)
If you can avoid a quarrel about money, you'll find this a good period for socializing. However, late in the day you'll be wanting some time for yourself.

LIBRA (Sept. 23 to Oct. 22)
You might not see eye to eye with an adviser. Peace of mind comes through the completion of an unfinished task. Then, you'll be ready to

celebrate!
SCORPIO (Oct. 23 to Nov. 21)
Although it's a time to assert yourself, it's not the right moment to lock horns with a higher-up. New chances for financial gains arise. Capitalize on them.

SAGITTARIUS (Nov. 22 to Dec. 21)
A friend could be a bit argumentative. Focus your attention on budgets and financial concerns. A delightful surprise comes through a close tie after dark.

CAPRICORN (Dec. 22 to Jan. 19)
You're in a bit of a rush and are inclined to do or say something without due forethought. Otherwise, communications are favored. New plans involving home are worth acting upon.

AQUARIUS (Jan. 20 to Feb. 18)
It's a day to make changes at home, but avoid quarreling with relatives. You could become a bit bossy. Try something different for entertainment during evening hours.

PISCES (Feb. 19 to March 20)
Pleasure seekers are inclined to overspend. You're ready to move in a new direction in your career. A matter with a child comes to a head and changes made are positive.

YOU BORN TODAY are breezy self-confident and emanate a sense of optimism to all around you. With an infectious sense of humor, you make many friends. You are keenly interested in the welfare of mankind and throw yourself into humanitarian projects. Politics is of natural interest to you. Medicine and psychology are also attractive.
