Horoscope by Frances Drake

For Tuesday, July 22, 1997

ARIES (March 21 to April 19)
 You're in a rather dull, dreary mood and there's no real reason for this. Instead, open yourself up to others. People are trying to cheer you up, so let them get the job done!

TAURUS (April 20 to May 20)
 Don't let yourself get thrown too far off track by a certain dilemma. The problem doesn't have to be addressed immediately. At night, a community-based activity is accentuated.

GEMINI (May 21 to June 20)
 This isn't the day to be late for appointments. Others view this as a lack of caring on your part. Make sure you give yourself enough time to get where you need to be.

CANCER (June 21 to July 22)
 You begin the day refreshed and ready to get those domestic chores out of the way. Then, plan on spending some quality time with loved ones. Elderly family members in particular need attention.

LEO (July 23 to Aug. 22)
 Take a good look around and sort out those domestic chores that need to be done. If there's nothing urgent, feel free to simply rest. You've earned a little vacation.

VIRGO (Aug. 23 to Sept. 22)
 It's a good time to sit up and pay attention to what others are telling you. While you feel you're being picked on, people are trying to help you. Don't be so sensitive.

LIBRA (Sept. 23 to Oct. 22)
 The whole household is in a flurry of activity, getting ready for a special event. However, some find themselves going on a shopping spree. If so, be sure not to overspend on luxu-

ries.

SCORPIO (Oct. 23 to Nov. 21)
 The week is begun on the same happy note on that you ended the weekend. It's a good time to empty your mind of all serious thoughts. Simply enjoy good times.

SAGITTARIUS (Nov. 22 to Dec. 21)
 A little rest is all you needed to get going again. You are glowing and beaming from ear to ear. Others see this and are willing to do your bidding.

CAPRICORN (Dec. 22 to Jan. 19)
 Someone close to you is behaving in a shocking manner. However, you're really being somewhat of a prude. This judgmental attitude doesn't serve you well at all.

AQUARIUS (Jan. 20 to Feb. 18)
 Nothing of particular seriousness is on your agenda, so kick back and relax. Make plans to socialize with people you haven't seen in a while. A family member has a startling announcement.

PISCES (Feb. 19 to March 20)
 Some find themselves sleeping a lot later than usual and showing up late for work. Don't let this put you on a guilt trip. By day's end, you still accomplish what needs to be done.

YOU BORN TODAY tend to have a warm, sensual nature and to be artistically inclined. You are apt to seek gratification of the senses and are interested in the practical rather than the theoretical. You are attracted to the sciences, particularly space exploration, and have a flair for mathematics. You are spontaneous in your thinking and actions, responding quickly to all situations and assuming an assertive role.
