Horoscope by Frances Drake

For Thursday, July 24, 1997

ARIES
(March 21 to April 19)
Although you need someone to confide in, be careful whom you choose. Not everyone around you is the essence of discretion. A minor domestic crisis arises during evening hours.

TAURUS
(April 20 to May 20)
A project you start will demand your attention for some time to come. However, don't allow this to become your sole focus. Family members need your attention, too.

GEMINI
(May 21 to June 20)
Even a minor setback at work can't mar your wonderful mood. On the home front, loved ones are in just as pleasant a mood. Harmony and good times are favored.

CANCER
(June 21 to July 22)
Your moods are directly related to the weather. Be that as it may, don't let a few clouds rule the entire horizon. At night, an unexpected social invitation has you out and about.

LEO
(July 23 to Aug. 22)
A loved one has you puzzled by sending you mixed signals and you can't sort out what's going on. Someone close has the answers. Once you understand this, happiness is restored.

VIRGO
(Aug. 23 to Sept. 22)
Something said off the cuff doesn't sit well with you. However, you're being a bit too hard on the person who said it. Remember, even you're prone to these unfortunate slips of the tongue.

LIBRA
(Sept. 23 to Oct. 22)
You're in such a hurry to get to a future event, you're rushing things that need more attention. Stop and enjoy what's happening in the here and now. Otherwise, you miss an important opportunity.

SCORPIO
(Oct. 23 to Nov. 21)
Despite the wishes of most of the people with whom you work, you insist things be done your way. Now is not the time for such stubbornness. Make an effort to cooperate.

SAGITTARIUS
(Nov. 22 to Dec. 21)
You just don't feel up to tackling those tasks at hand. Thus, it could be a very good time to think about that vacation. You need to recharge your batteries.

CAPRICORN
(Dec. 22 to Jan. 19)
Others are hard-pressed to keep up with you since you're so energetic. Those in authority sit up and take notice. At the same time, one co-worker isn't so amiable.

AQUARIUS
(Jan. 20 to Feb. 18)
You feel as though you're on a treadmill, jumping from task to task without accomplishing much. Take some time out to do further planning. It's worth it in the long run.

PISCES
(Feb. 19 to March 20)
You're in a no-nonsense mood as you set about to complete a project that has been intended for some time. Don't be afraid to get others involved. Together, it can be done quickly.

YOU BORN TODAY are inclined to be cooperative with others but do not allow your personal feelings to interfere with what must be done. Usually, you appear to be tolerant and impartial, and often relate your concerns toward common objectives that will accommodate personal differences. You are most comfortable with people who are accurate, informed and correct. A searcher for the truth, you are at home in a courtroom.
