Horoscope by Frances Drake

For Tuesday, July 29, 1997

ARIES
(March 21 to April 19)
You could feel slightly let down by a relative or close tie. Conservative methods work best in business. Don't be tempted by a long-shot gamble.

TAURUS
(April 20 to May 20)
In romance you could meet with some confusion or mixed messages. Good advice comes from an old friend. Appreciate those who are loyal to you.

GEMINI
(May 21 to June 20)
You could encounter a confusing situation at work. The day is conducive to research and to the completion of long-delayed tasks. At night, rest up.

CANCER
(June 21 to July 22)
Avoid leading anyone on in your personal life. The signals you give could be unclear and could lead to misunderstandings. Fulfill a social obligation.

LEO
(July 23 to Aug. 22)
Don't spill the beans where financial matters are concerned. Be leery of dubious propositions and apparently bogus deals. Accent practicality and economy.

VIRGO
(Aug. 23 to Sept. 22)
Some revisions could be necessary regarding a mental project or creative endeavor. Let flights of fancy give way to what will work. Be serious.

LIBRA
(Sept. 23 to Oct. 22)
In business, you get a proposal with strings attached, or someone you deal with is insincere. Focus on what needs to be done on the home front.

SCORPIO
(Oct. 23 to Nov. 21)
Be leery of deceptive or misleading trends in friendships and romance. Self-discipline aids you with creative projects. Familiar haunts are best.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Someone at work might seek to take unfair advantage of you. Although you could feel let down, you still end the day on a note of accomplishment.

CAPRICORN
(Dec. 22 to Jan. 19)
Romanticism might have to be the boards as you deal with certain practicalities. A loved one's shortcomings could be exposed.

AQUARIUS
(Jan. 20 to Feb. 18)
You might be caught on the short end of a financial transaction. Don't be gullible. Carefully examine propositions. Concentration brings gains at work.

PISCES
(Feb. 19 to March 20)
Think twice before you do a favor for someone who could be taking advantage of your good nature. Couples successfully discharge a responsibility.

YOU BORN TODAY are creative but at times have fixed ideas. Be careful that your stubbornness does not impede your progress. You love to strike out on your own in most endeavors. You're good at selling yourself and your ideas. Friends can help you to get where you want in life.

Birthdate of: Alexandra Paul, actress; Nancy Kassebaum, politician; Wil Wheaton, actor.

255 HOUSING WANTED
