Horoscope by Frances Drake

For Tuesday, Aug. 5, 1997

ARIES (March 21 to April 19)

Although a new project looks prom-

ising, there are still aspects that need

further investigation. Minor annoy-

ances could disturb relationship har-

mony. Make an effort to listen.

TAURUS (April 20 to May 20)

Think of long-term prospects in

business. You get the urge to see new

places and do new things. Original-

ity demands expression, but find a

constructive outlet.

GEMINI (May 21 to June 20)

Work of a controversial nature

should be kept under wraps. You

might receive conflicting advice.

You'll be receiving a travel invitation

soon.

CANCER (June 21 to July 22)

A too-independent attitude would

not sit well with a higher-up. Keep

your plans to yourself. You have an

exciting time on the social scene at

night.

LEO (July 23 to Aug. 22)

You have continued success with

friends, but a difficulty could arise

nonetheless. A secret project capti-

vates you; you're really enjoying the

cloak-and-dagger routine!

VIRGO (Aug. 23 to Sept. 22)

It would be premature to speak of

a financial matter. Unexpected travel

could be on your agenda. Watch out
