Horoscope by Frances Drake

BY FRANCES DRAKE
What kind of day will tomorrow be? To find out what the stars say, read the forecast given for your birth sign.

For Wednesday, Aug. 13, 1997
ARIES
(March 21 to April 19)
In the morning, you encounter new chances to increase your income. Later, you're apt to be miserly with your money, causing some problems with a close tie.

TAURUS
(April 20 to May 20)
Exercise caution in financial dealings. Not everything is straightforward. In romance, you make some gains, but not all your problems are resolved.

GEMINI
(May 21 to June 20)
You know when to listen and when to speak out. Your timing is also good where group activities are concerned. Later in the day, enjoy creative endeavors.

CANCER
(June 21 to July 22)
Don't worry; you can have that privacy you seek without hurting someone's feelings. A visit to the "same old place" leads to excitement.

LEO
(July 23 to Aug. 22)
Get an early start, since things are going your way. However, as the day progresses, you can't count on the cooperation of others. Express your views at a group meeting.

VIRGO
(Aug. 23 to Sept. 22)
Your social life hums along nicely. Avoid getting financially involved with others. You refuse a loved one's request. Later in the day, convictions are strong.

LIBRA
(Sept. 23 to Oct. 22)
You have a tendency to second-guess yourself. Try to avoid such self-doubt. Have the courage of your convictions. At night, get to bed early.

SCORPIO

(Oct. 23 to Nov. 21)
Financial and business interests are favored, and you're tempted to splurge. To protect your productivity, avoid letting escapist tendencies take hold of your behavior.

SAGITTARIUS
(Nov. 22 to Dec. 21)
It's time to turn on that social charm so that you can impress bigwigs. There's no need to play the big spender; you can achieve your goals without breaking the bank.

CAPRICORN
(Dec. 22 to Jan. 19)
In business, tune in to your intuition rather than listening to others. You're at a turning point with a close friend, but things can still be worked out to your satisfaction.

AQUARIUS
(Jan. 20 to Feb. 18)
A loyal friend is the person to have fun with. Those involved in a romantic relationship are tempted to stray. Togetherness can lead to fulfillment.

PISCES
(Feb. 19 to March 20)
It's a good time to get rid of some of that household clutter. After all, you don't really need all those things. Later in the day, your communicative skills are at a peak.

YOU BORN TODAY possess a natural restraint that enables you to probe into the feelings and motivations of those around you. Your intuition is excellent and you can remain calm when faced with major crises. Since security is so important to you, you tend to be reluctant to give up a bad relationship because of the safety it seems to give you. You are fascinated by gadgets and would succeed at a career in electronics or computers.

Birthdate of: Kathleen Battle, singer; Betsy King, golfer; Debi Mazar, actress.
