Horoscope by Frances Drake

For Thursday, Aug. 14, 1997

ARIES
(March 21 to April 19)
It's a good time for reflection on all that you've accomplished recently. You can see that you've been effective. Look for ways to continue on your successful course.

TAURUS
(April 20 to May 20)
Feel free to be a bit frivolous when it comes to finances. Go out and treat yourself to that new outfit you've had your eye on. Also, get out and about socially.

GEMINI
(May 21 to June 20)
You're spending too much time worrying and working long hours on your job. Thus, family responsibilities are getting short shrift. Don't neglect yourself.

CANCER
(June 21 to July 22)
Be willing to make changes and sacrifices. Aim for compromises at home and on the job. Pay more attention to nutrition and your health in general.

LEO
(July 23 to Aug. 22)
Try to stop beating yourself up about a situation you can't control. Don't allow confusion to show in your romantic relationship.

VIRGO
(Aug. 23 to Sept. 22)
If you gamble, you are certain to be a loser. Instead, a trip to the bank and a wise investment would put you in the winner's circle soon. A loved one can help.

LIBRA
(Sept. 23 to Oct. 22)
A close friend is depressed, so make an effort to reach out to him or her. You have been pushing yourself physically and should get more rest.

SCORPIO
(Oct. 23 to Nov. 21)

There's a misunderstanding brew-
ing between you and your mate. Don't
be embarrassed to discuss matters of
an intimate nature. Reticence is your
enemy.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Your ability to be innovative im-
presses someone who is growing close
to you. Utilize your imagination. A
little spicy surprise is sure to get
things going. You might move soon.

CAPRICORN
(Dec. 22 to Jan. 19)
Your tendency to be late could hurt
you and nip an opportunity in the
bud. You feel as though you're in a
rut. The best remedy is to join a
group that will liven up your social
life.

AQUARIUS
(Jan. 20 to Feb. 18)
If someone from your past becomes
important to you again, be careful
how you handle the situation. Later
in the day, you're creative and ener-
getic.

PISCES
(Feb. 19 to March 20)
Family closeness is important to
you, so initiate a social gathering of
relatives. Don't allow your chores to
pile up unmanageably. Work first
and play later.

YOU BORN TODAY can be very
possessive, sometimes without even
realizing it. Partnerships are of the
utmost importance to you, and you
demand much of your allies. How-
ever, you give as much as you get,
and sometimes even more so. You
are generous with all your resources,
but your gifts are not given without
strings. With a flair for the dramatic,
you would make a wonderful actor,
director, artist or producer.

Birthdate of: Russell Baker, writer;
Emmanuelle Beart, actress; Susan
Saint James, actress.
