Horoscope by Frances Drake

For Wednesday, Aug. 20, 1997 ARIES (March 21 to April 19) There could be some problems in communications with others. A phone conversation could irritate you. Domestic interests are highlighted after dark. TAURUS (April 20 to May 20) Without intending to, you could be guilty of throwing your weight around at home base. Going out somewhere special will ease tension and lead to happy moments. You end the day on a happy note. GEMINI (May 21 to June 20) Social life is not without its problems. Be careful of spending. It's through work interests that you find satisfaction. CANCER (June 21 to July 22) Attending to work matters will probably get to you and make you in need of a rest. Fall in with the wishes of a partner for a nice time together. However, be careful not to overindulge in food or drink. LEO (July 23 to Aug. 22) Your views toward a domestic matter are likely to differ with those of a close tie. Still, this doesn't have to cause a rift between the two of you. You can achieve a meeting of the minds. VIRGO (Aug. 23 to Sept. 22) Clearly, the nonmaterial aspects of life will afford you more satisfaction than business or financial matters. Keep in touch with those at a distance. LIBRA (Sept. 23 to Oct. 22) Just because you disagree with someone's principles, it doesn't mean you have justification to criticize.
