

May the parking Gods be with you...

Driving to the game is not a good idea, as parking spaces are few and far between. The best bet is arriving early, taking an LTD Park and Ride shuttle from one of the many locations, riding a bike or walking.

- ① Public Parking
- ② No Parking
- ③ Donor/Media Parking

Traffic: Football fans can use LTD buses

Continued from Page 1A

Masonic Center Lodge parking lots.

The only spots available for recreational vehicles (RVs) are at both lodge parking lots for a \$10 fee.

According to Walton, the Lane Transit District's Park & Ride program is an excellent option.

Following the last home football game on Sept. 20 against Fresno State, 54 buses transport-

ed approximately 4,900 people away from Autzen Stadium in 38 minutes.

"It's only taking an hour to clear people out [of the stadium area] post-game because there are so fewer cars," Walton said.

She also said LTD bus riders can save time by paying two dollars when they first get on the bus and show their tickets to the driver for the return trip.

"It's only taking an hour to clear people out [of the stadium area] post-game because there are so fewer cars."

Sandy Walton

University's senior associate athletic director
