University of Oregon Annual Giving Program

Horoscope by Frances Drake

For Tuesday, Oct. 7, 1997

ARIES

(March 21 to April 19)

You're dealing with some sensitive egos in business. Thus, make an effort to be appropriately tactful. Otherwise, gains come through your initiative.

TAURUS

(April 20 to May 20)

It's a good time to make plans for a pleasure trip. An associate is unduly sensitive on the job. At night, a child doesn't respond well to your advice.

GEMINI

(May 21 to June 20)

You are at your confident, decisive and self-assured best. It's a good time to pursue what you want out of life. Good times highlight evening hours.

CANCER

(June 21 to July 22)

It's an excellent time for those looking to move. Good news comes your way concerning an investment. A family member requires extra consideration during the evening.

LEO

(July 23 to Aug. 22)

You have success in getting some unfinished projects out of the way. Good news comes from a family member. The evening hours are a bit anticlimactic.

VIRGO

(Aug. 23 to Sept. 22)

You could be tossing around the idea of purchasing new furniture. Privately, you're happy about an intimate concern. Avoid overspending on pleasure after dark.

LIBRA

(Sept. 23 to Oct. 22)

It's a happy time for you socially, with benefits coming through friends. Before making a decision about a purchase, sleep on it overnight.

SCORPIO

(Oct. 23 to Nov. 21)

You get along well with friends and loved ones. However, you have difficulty understanding an acquaintance's point of view. Open your mind to new ideas.

SAGITTARIUS

(Nov. 22 to Dec. 21)

Your drive and determination combine favorably. A new opportunity has beneficial financial potential. A partner wants your attention during evening hours.

CAPRICORN

(Dec. 22 to Jan. 19)

Partners are happily in sync and make important plans for the future. A friend's good news carries some import for you as well. A relative could be touchy after dark.

AQUARIUS

(Jan. 20 to Feb. 18)

You're all business and make important strides toward the realization of your career goals. You're likely to receive financial benefits as well.

PISCES

(Feb. 19 to March 20)

You receive more than one opportunity in business. A tendency to rest on your laurels mars the afternoon. At night, catch up on correspondence.

YOU BORN TODAY desire to establish a home base and to have someone special to "look after." You are fiercely protective of those in your sphere. However, you waver between being extremely strong and commanding and being as vulnerable as a child. You are drawn to any field that would allow you to work from home, such as writing or painting. You tend to be a great worrier due to your concern for everyone around you.

Birthdate of: Oliver North, talk-show host; June Allyson, actress; Yo-Yo Ma, cellist.
