Horoscope by Frances Drake

For Monday, Oct. 20, 1997

ARIES
(March 21 to April 19)
You're able to make headway with domestic chores that you've been putting off. Others readily respond to your viewpoint. Agreements are easily reached as a result.

TAURUS
(April 20 to May 20)
You could be a bit bored with routine work, but this is also a time when you'll impress others favorably. You make plans later in the day to host a party. Be sure, though, this isn't too costly.

GEMINI
(May 21 to June 20)
You could want to catch up with reading and correspondence. Concentration powers are good and you'll achieve a lot of a mental nature. Travel is also a plus.

CANCER
(June 21 to July 22)
Behind-the-scenes developments in business are in your favor. Social life could take a back seat at present. Inwardly, you're at peace this evening and happily engaged with a pet pastime.

LEO
(July 23 to Aug. 22)
A stimulating conversation with a friend gives you food for further thought. After a day of socializing, you'll want some time later just for yourself to rest.

VIRGO
(Aug. 23 to Sept. 22)
There could be delays in money due you and a minor difference could occur with a friend. Be mindful of appointments and don't keep others waiting.

LIBRA
(Sept. 23 to Oct. 22)
You could be uncertain as to your next step in business, but otherwise, you're in an optimistic frame of mind. Others are very responsive to what you have to say.
