Horoscope by Frances Drake

For Wednesday, Oct. 22, 1997
ARIES
(March 21 to April 19)
An unexpected career opportunity could drop into your life. Luck is with you in dealings with those on top. Don't involve friends in your business.
TAURUS
(April 20 to May 20)
Although it's joy and merriment in the company of friends for you, there could be something bothering a close tie. Be aware of the signals others give.
GEMINI
(May 21 to June 20)
Inwardly you feel free of a psychological burden. You have the space and the peace of mind to do your own thing. Watch the ill-advised use of credit after dark.
CANCER
(June 21 to July 22)
You're in an independent mood and definitely should do something different. Children bring joy. Pleasure outings and romance are highlighted.
LEO
(July 23 to Aug. 22)
A chance to pick up extra income comes from an unlikely quarter. You'll also enjoy a career success. Take the time to scrutinize documents before signing.
VIRGO
(Aug. 23 to Sept. 22)
Spur-of-the-moment outings are fun. Happiness comes through close ties, and partners see eye to eye. Possible strain occurs with evening visitors to the house.
LIBRA
(Sept. 23 to Oct. 22)
Some make plans for an office in the home or the purchase of electronic equipment. Luck arises for the family. Think twice about an

evening rendezvous.
SCORPIO
(Oct. 23 to Nov. 21)
Surprises turn out to your advantage. You're good at promoting yourself and the things you believe in. Chances for happy vacationing are super.
SAGITTARIUS
(Nov. 22 to Dec. 21)
It's probably not the usual routine at work this morning. Some receive recognition from a higher-up for a job well done. New opportunities for success also arise.
CAPRICORN
(Dec. 22 to Jan. 19)
Avoid snap judgments with the use of credit. Benefits are likely through either a friend or a partner. A very special invitation comes your way and you should accept.
AQUARIUS
(Jan. 20 to Feb. 18)
Monetary developments could surprise you, but there's enough time to do the research necessary to make the right decisions. Family members are not in accord about a trip.
PISCES
(Feb. 19 to March 20)
Unexpected news comes from afar. Things fall into place for a marvelous vacation. Mixing business and pleasure could lead to impulsive decisions.
YOU BORN TODAY have a natural interest in society and its problems. A natural healer and nurturer, a career in the health field appeals to you. Psychology or psychiatry also are of interest. People feel comfortable around you and are willing to confide in you. A good listener, you are very popular and much sought-after.
