Horoscope by Frances Drake

For Monday, Nov. 10, 1997

ARIES
(March 21 to April 19)
You're motivated to achieve and should go after what you want. You could, however, let a few domestic matters slide for the moment. A friend gives you good advice.

TAURUS
(April 20 to May 20)
You'll be getting together with friends, but do refrain from quarreling. A pushy type could push your buttons the wrong way. Avoid excesses when partying.

GEMINI
(May 21 to June 20)
You work best from behind the scenes. Do things for yourself. If you want to get more work done, exercise more concentration. Someone's irresponsibility could delay you.

CANCER
(June 21 to July 22)
You're bold and assertive. However, suppress your ego if you wish others to go along with you. Someone you deal with promises more than he or she can deliver.

LEO
(July 23 to Aug. 22)
Money could come in and go out easily. Avoid extravagant expenditures. Try not to quarrel with others about financial interests. It's give-and-take time.

VIRGO
(Aug. 23 to Sept. 22)
You have more determination than usual. However, you could be dealing with people who have trouble making up their mind. Try to be patient.

LIBRA
(Sept. 23 to Oct. 22)
Tackle those projects that need to be done at home. In business, keep goals realistic. Stay away from fly-by-night schemes; in other words, be practical.
