Horoscope by Frances Drake

For Friday, Nov. 21, 1997

ARIES
(March 21 to April 19)
Try not to get into a quarrel about a work-related matter. By steering clear of controversial subjects, you can gain a clear objective on your goals.

TAURUS
(April 20 to May 20)
You have your hands full at times, and your home life has its hectic moments. However, nothing truly disrupts what turns out to be a memorably happy day.

GEMINI
(May 21 to June 20)
Rambunctious children keep you running and at times might strain your patience. However, things settle down later. The evening should be special.

CANCER
(June 21 to July 22)
It's not a great time to tackle a do-it-yourself project. You would find the task more difficult than you had anticipated. Try not to wear yourself out.

LEO
(July 23 to Aug. 22)
Little things going wrong or last-minute details that need tending can upset you for a while. However, peace and harmony reign by day's end.

VIRGO
(Aug. 23 to Sept. 22)
It's not a good time to reach decisions about the use of joint assets. A cranky family member snaps out of it. Enjoy festive outdoor activities.

LIBRA
(Sept. 23 to Oct. 22)
Some people you deal with tend to exaggerate. Getting plans for a trip organized could prove difficult. The evening favors pleasurable interests.

SCORPIO

(Oct. 23 to Nov. 21)

Although your business ideas are imaginative, it's a poor time to act on them. Others could be difficult to reach; your plans might have to be put on hold.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Rather than try to get together with everyone at once, share your social time with a meaningful few. Otherwise, you might feel frazzled by day's end.

CAPRICORN
(Dec. 22 to Jan. 19)
You crave some quiet time, as your schedule seems overloaded. After a hectic afternoon, the evening seems blissful. Relax with loved ones.

AQUARIUS
(Jan. 20 to Feb. 18)
It's not a great time for getting your own way. Others want to take the lead. You could be in a contemplative and nostalgic mood. Relax with a hobby in the evening.

PISCES
(Feb. 19 to March 20)
Your intuition puts you on the right track regarding a business concern. You get helpful advice about a financial matter. Minor expenses could add up.

YOU BORN TODAY are a serious person, with a strong sense of duty and responsibility. You are ambitious and work hard to achieve your goals. More universal-minded than most, you probably are interested in helping those less fortunate. You can succeed in positions of authority. You need to keep busy to be happy. You have a dramatic side and can succeed in theatrical areas.
