Horoscope by Frances Drake

For Monday, Dec. 1, 1997

ARIES
(March 21 to April 19)
It's a hectic day for you, with phones ringing off the hook and several contentious co-workers. However, you rise to the occasion. A quiet dinner and good conversation are soothing.

TAURUS
(April 20 to May 20)
Be leery of someone who seems to be promising the moon. Trust your instincts. In the evening, don't forget to call that certain someone.

GEMINI
(May 21 to June 20)
It's difficult for you to concentrate early in the day. There are too many distractions and demands being made. Afternoon hours are devoted to playing catch-up.

CANCER
(June 21 to July 22)
You're thinking about making a major purchase. If you don't consult with your mate before going out and buying it, hard feelings result.

LEO
(July 23 to Aug. 22)
You shine in the public eye and revel in the attention. Avoid letting it go to your head. Some who are heavy on the flattery have ulterior motives.

VIRGO
(Aug. 23 to Sept. 22)
You pursue a new hobby that alleviates some boredom on your part. News you hear late in the day is delightful. Feel free to crow!

LIBRA
(Sept. 23 to Oct. 22)
A friend shares a confidence with you that you are loath to hear. Let your friend know that you don't relish such responsibility. At night, listen to your favorite music.

© 1997 King Features Syndicate Inc.

SCORPIO
(Oct. 23 to Nov. 21)
A visit to a doctor or dentist is in order. You have been a bit careless about your health. A diet or exercise regimen could be in order.

SAGITTARIUS
(Nov. 22 to Dec. 21)
It's not a particularly productive time for you, but you persevere. Your diligence doesn't go unnoticed. A late-evening entertainment could keep you up past your bedtime.

CAPRICORN
(Dec. 22 to Jan. 19)
Grouchiness isn't going to get that assigned task done any quicker. Enlist the aid of a willing co-worker, and your attitude improves. Later on, you spend time answering mail.

AQUARIUS
(Jan. 20 to Feb. 18)
You come back to earth with a thud and apply yourself to what must be done. A business decision made in an emergency brings you to the attention of bigwigs.

PISCES
(Feb. 19 to March 20)
While you receive some unwelcome news, you deal with it admirably. Later in the day, your fortunes improve, and you can end the day with a smile.

YOU BORN TODAY have a quiet, thoughtful nature and are remarkably considerate. You are not one to pass judgment, and you refuse to listen to idle gossip. Your high standards and integrity make you popular. Fields of interest include the clergy, education and veterinary medicine. Above all, you value harmony in your home.

Birthdate of: Bette Midler, entertainer; Richard Pryor, comedian; Larry Walker, baseball player.
