Horoscope by Frances Drake

For Thursday, Jan. 8, 1998

ARIES

(March 21 to April 19)

Guard against unfeasible business tangents. Conservative tactics are best. Heart-to-heart talks early in the day bring couples closer.

TAURUS

(April 20 to May 20)

It is not a good time to experiment with offbeat health regimens. Judgment is good where business is concerned. Talks with co-workers are productive but higher-ups may be difficult to deal with.

GEMINI

(May 21 to June 20)

Keep your feet on the ground regarding matters of the heart. You are effective in getting your views across to others. An extra expense incurred may be simply unavoidable, so don't fret about it.

CANCER

(June 21 to July 22)

Stay clear of gambling and financial risk-taking early in the day. Judgment could be off where money interests are concerned. Fantasy could interfere with good judgment where romance is concerned.

LEO

(July 23 to Aug. 22)

Make sure you follow through on commitments made previously. Others will expect you to keep your word. It is the right time for making important phone calls, but it will take you a while to win a partner over to your way of thinking.

VIRGO

(Aug. 23 to Sept. 22)

Common sense and practicality should be your key words in financial dealings. Don't be tempted by a get-rich-quick scheme and be sensible when shopping. A business delay is followed by a breakthrough.

LIBRA

(Sept. 23 to Oct. 22)

Be sure not to take on more than you can handle. Otherwise, you will

end up the day making excuses. You are personable and articulate.

SCORPIO

(Oct. 23 to Nov. 21)

Absent-mindedness could cause you to misplace something of importance. Try to pay attention. Research, studying and answering correspondence are favored.

SAGITTARIUS

(Nov. 22 to Dec. 21)

A friend's moneymaking scheme sounds wonderful but could be impractical. It is best that you don't go along. Group interests are accentuated this day and you could receive a wonderful social invitation.

CAPRICORN

(Dec. 22 to Jan. 19)

A business proposal seems too good to be true. Don't be tempted by this proposition. Talks with higher-ups are favored, but don't spread yourself too thin by promising the impossible.

AQUARIUS

(Jan. 20 to Feb. 18)

Bad timing and poor planning make this an unwise time for travel. Be sure to attend to current obligations. A meeting with an advisor goes very well.

PISCES

(Feb. 19 to March 20)

It is not a good idea to lend money to others. What others think is a sure thing is not at all. In general, you should avoid dubious financial involvements with others.

YOU BORN TODAY work well with people and are good at giving others encouragement. In fact, your "people" skills are tops. You do well in sales, real estate or the hospitality industry. Travel intrigues you and you often master many languages. Your home base is wherever you happen to be at the time.
