Horoscope by Frances Drake

For Monday, Jan. 12, 1998
ARIES
(March 21 to April 19)
New chances for success arise in business. Minor friction with a partner is quickly abated. A sea of paperwork could prove to be too much to handle, so concentrate on one thing at a time.
TAURUS
(April 20 to May 20)
You should go easy on your use of credit. However, you'll have a lovely time at a favorite restaurant or entertainment spot. You could be wrapped up in your own concerns later in the day and not as attentive as you should be to others' needs.
GEMINI
(May 21 to June 20)
You're having second thoughts about a financial matter. A co-worker could be envious of your accomplishments. Good will, however, brings you gains in business.
CANCER
(June 21 to July 22)
You receive an invitation to someplace special for rest and relaxation. Tension is likely about career concerns. You're a bit unsure of yourself and may not be at your best in getting ideas across to others.
LEO
(July 23 to Aug. 22)
You're on the right track where business interests are concerned. A concern about a domestic matter could interfere with your concentration at work later in the day. A quarrel while socializing disrupts harmony after dark.
VIRGO
(Aug. 23 to Sept. 22)
A dispute that arises early in the day will quickly be resolved. It's a great day for getting together with your friends for happy social times. Duties in connection with child-rearing should be a priority during evening hours.
LIBRA
(Sept. 23 to Oct. 22)
It's best to be low-key where business interests are concerned. It's not a good time to force issues. However, behind-the-scenes moves bring benefits.

SCORPIO
(Oct. 23 to Nov. 21)
As you're easily distracted, extra self-discipline will be needed on the job. The end of this day will go a lot better for you if you do not expect to be the center of attention. A partner could seem preoccupied.
SAGITTARIUS
(Nov. 22 to Dec. 21)
This is not a good day to seek a loan or for shopping. Stay on top of current financial obligations and try to keep expenditures to a minimum. Family matters are highlighted later in the day.
CAPRICORN
(Dec. 22 to Jan. 19)
You're especially charming and personable and will receive admiration and compliments. Negotiations about financial matters could break down. Don't let someone's indifference discourage you.
AQUARIUS
(Jan. 20 to Feb. 18)
Although shopping for the home is a plus, you should guard against extravagant spending on pleasure pursuits. Others are slow in getting back to you, so delays in business are likely. Be patient and concentrate on immediate tasks.
PISCES
(Feb. 19 to March 20)
You'll fight, kiss and make up when a small difference reveals how much you care for each other. A disappointment in a friendship could dampen your mood for socializing. Originality and intuition combine to bring success in business.
YOU BORN TODAY are highly articulate and sensitive. You love to be around family and children and have a natural charm that brings out the best in youngsters. Possessed of a great sense of humor, people love to be around you, as it cheers them up. You would be excellent in the fields of social work, teaching and the medical field. While extremely caring and giving, you are also very shrewd and do not have to worry about being taken advantage of.
Birthdate of: Rush Limbaugh, radio talk-show host; Kirstie Alley, actress; Anthony Andrews, actor.
