Horoscope by Frances Drake

For Tuesday, Jan. 13, 1998

ARIES
(March 21 to April 19)
The day's happy news pertains to your financial interests. A partner could receive a raise or tax rebate. You are quite popular and will be enjoying good times in the company of others.

TAURUS
(April 20 to May 20)
You just might stumble on a good book that will mean a lot to you. Catching up with an unfinished task will be a priority. Time by yourself later in the day leads to important insights.

GEMINI
(May 21 to June 20)
News you've been waiting for about a business concern arrives. You will be very pleased. It is a good time for interviews and asking favors of higher-ups.

CANCER
(June 21 to July 22)
Reaching an agreement with another about a financial concern could be difficult. Don't let a "what me, worry" attitude toward money take hold while socializing. A difference of opinion is likely to arise with a friend later in the day.

LEO
(July 23 to Aug. 22)
A private discussion bodes well for your financial interests. A family member may not see things your way. Higher-minded pursuits bring serenity after dark.

VIRGO
(Aug. 23 to Sept. 22)
Your powers of persuasion are tops. Others are impressed by what you have to say. You'll be hearing some good news.

LIBRA
(Sept. 23 to Oct. 22)
A chance to make extra money arises. You are charismatic and others are drawn to you. However, you still need to be levelheaded where romance is concerned.
