Horoscope by Frances Drake

For Tuesday, Jan. 20, 1998

ARIES
(March 21 to April 19)
Partners are mentally perceptive. You could be uncertain about how to deal with a child, so make sure your rules and regulations are clear. Attend to bookkeeping and accounting chores and cut down on expenditures.

TAURUS
(April 20 to May 20)
Friends give good advice, but one of them may not want to join you at an upcoming social event. Still, all's well that ends well. After considering a variety of options, you'll come to the conclusion that hard work paves the way to success.

GEMINI
(May 21 to June 20)
After hearing a variety of differing opinions, you'll find that you're your own best advisor. Friends afford mental stimulation. The answers you seek seem elusive, but keep plugging and you'll find solutions.

CANCER
(June 21 to July 22)
A friend is wishy-washy, but you'll reach an understanding. Don't waste your time with triflers. Stick to your guns about a financial matter and make certain that you're not underpaid.

LEO
(July 23 to Aug. 22)
A child will respond to discipline. Stand up for your convictions. After some uncertainty, you'll feel more secure about a love interest.

VIRGO
(Aug. 23 to Sept. 22)
A lot of time could be wasted before you reach a decision that will truly work. After-dinner hours are best for communication. Get a second opinion about a legal situation, if necessary.

LIBRA
(Sept. 23 to Oct. 22)
Seek a fresh opinion about a career matter. Domestic life requires

patience. Avoid friction around dinnertime. Mix-ups in communications are likely, so be flexible.

SCORPIO
(Oct. 23 to Nov. 21)
Interruptions affect work efficiency. Be willing to make new acquaintances. It is wise to safeguard health.

SAGITTARIUS
(Nov. 22 to Dec. 21)
Impromptu purchases are likely. Creative types are especially imaginative and intuition brings important insights. Closer relationships will require a give-and-take approach.

CAPRICORN
(Dec. 22 to Jan. 19)
You feel somewhat introverted. Vary your routine to get out of the doldrums. Friends and family don't mix favorably and a relative would appreciate more attention.

AQUARIUS
(Jan. 20 to Feb. 18)
You'll need to take extra care with financial matters. Heed the advice of a close friend. Partners feel especially inspired or creative but it's not the best time to push your interests.

PISCES
(Feb. 19 to March 20)
Creative activities go better than career interests. A pushy manner will offend a higher-up. In general, meetings with advisors prove less than satisfactory.

YOU BORN TODAY are not one who can be pushed into something you don't like. This obstinateness can be detrimental early in life but works in your favor in the long run. Creative and temperamental, you can fly off the handle easily. Once you curb this, you are more successful. Fields that appeal are music, fashion designing and show business.

Birthdate of: Arte Johnson, comedian; DeForest Kelley, actor; Lorenzo Lamas, actor.
