Horoscope by Frances Drake

For Wednesday, Jan. 21, 1998
ARIES
 (March 21 to April 19)

This will be a very busy day for you, both at home and on the job. However, you're more than up to those tasks and will accomplish much by day's end. Reward yourself with a quiet evening with a loved one.

TAURUS
 (April 20 to May 20)

Even though you feel someone special has you hanging on a string, don't despair. Patience will win in the end and romance will flourish. Both single and married folks will find this a time of renewed romance and harmony.

GEMINI
 (May 21 to June 20)

You are highly motivated at work and will even amaze yourself with your efficiency. This will put you in a good mood all day. Since you feel so lighthearted, it's a good time to get out and kick up your heels.

CANCER
 (June 21 to July 22)

You're feeling restless and independent and may not be in a very cooperative mood at work and at home. It's wise to fight these feelings and try harder to work with others. Loved ones will prove most helpful and beneficial.

LEO
 (July 23 to Aug. 22)

If you've been looking to make a change in jobs, this is the time to pursue the venture. New experiences and opportunities are in the stars for you. Perhaps a complete switch is unnecessary, as a promotion could be in the works.

VIRGO
 (Aug. 23 to Sept. 22)

Someone with whom you'd lost contact will appear out of the blue. This will be a most exciting and romantic reunion. Because of this, you will find yourself in a social whirl all day, but be sure to get enough rest.

LIBRA
 (Sept. 23 to Oct. 22)

While everyone else around you at work seems to be running around with no purpose, you're quietly getting things done. Resultant talks

with bigwigs should be kept confidential since co-workers are apt to react jealously.

SCORPIO
 (Oct. 23 to Nov. 21)

Your magnetism is unbeatable, so take advantage of it and get out and about. Socializing is heavily favored and paves the way for new opportunities for personal growth. Spend the evening getting together with friends.

SAGITTARIUS
 (Nov. 22 to Dec. 21)

You're in a generous mood. Indulge this and pick up some surprise gifts for your loved ones. You'll be amazed at how this little gesture will brighten up things at home.

CAPRICORN
 (Dec. 22 to Jan. 19)

There is something not up to par with a business partner but you're not able to put your finger on it. The best way to find out is to ask directly. Your charm will come through and you will be able to sell just about anything to anyone.

AQUARIUS
 (Jan. 20 to Feb. 18)

Although you will be unprepared for what will occur financially, the news is not bad at all. You will soon find the means to make that purchase you've been after for some time. The accent, though, is on the home.

PISCES
 (Feb. 19 to March 20)

You will be of a creative bent this day and have excellent intuition where those interests are concerned. Those of you who are parents are advised to have some long talks with your children. They will be very beneficial.

YOU BORN TODAY do better in business for yourself than with others. A self-motivated self-starter, you just can't bend to someone else's will. Law, teaching, writing, religion and music are some of the fields in which you'll find fulfillment. Whatever you choose, it's something you can do from a home office. Family and domestic life are of the utmost importance to you.
