

Assistant Managers In Training

Let's face it, managing and leading are two different things. You've already proven that you can manage time and responsibilities - through academic accomplishments, work or extracurricular activities. Now, develop your potential for leadership by learning how to coach, mentor and motivate a team to achieve excellence. At Office Depot, we'll help you fully prepare for challenges that include everything from inventory management and merchandising to customer relations and team building. Our exciting fast-track training is a proven winner for people with big goals for the future.

WHY
JUST

We, at Frito-Lay recruit only the most talented, motivated people to become members of our team — then we train them to achieve even more!

Ironic. We're in the top ten.
And **David Letterman** needs to know.

"America's Top Internships have ranked us top 10 in the U.S.

above the "Late Show With David Letterman" internship.

At **Northwestern Mutual Life** you get real world business experience while you learn.

And you don't have to perform **stupid human tricks."**
