Horoscope by Frances Drake

For Thursday, Jan. 22, 1998
ARIES
(March 21 to April 19)
You probably won't overspend, as you seem undecided about one purchase. Don't make such a big deal about it. Expect one surprise in connection with business.
TAURUS
(April 20 to May 20)
Even though the breaks are going your way, it will take extra concentration for you to get into your work. Avoid domestic bickering after dark. There could be a few surprises in connection with entertainment.
GEMINI
(May 21 to June 20)
Don't let indecision about a business matter cause you to be wishy-washy about everything! Some luck is with you, and you should capitalize on it. You can have a good time going out, but don't quibble about costs.
CANCER
(June 21 to July 22)
Yes, a business development is in your favor, but you needn't go overboard in celebrating it. Avoid a descending attitude toward a friend. There are still a few hitches to be worked out with a travel plan.
LEO
(July 23 to Aug. 22)
A career opportunity looks promising, but you have a tendency to second-guess yourself. Don't let a wall of silence build up between you and a dear one. You're anxious to join friends in their activities.
VIRGO
(Aug. 23 to Sept. 22)
The accent is on saving rather than spending. Sort fact from fiction in talks with others, for some of what you hear is not exactly the truth. Although friends are well disposed toward you, you shouldn't become financially involved.
LIBRA
(Sept. 23 to Oct. 22)
Friends and family probably don't mix very well at present. You need to have a good talk with a relative.

Encourage this person to open up
SCORPIO
(Oct. 23 to Nov. 21)
If you let things slide, there'll be plenty of catching up to do before the day ends. Exercise is the key to physical fitness. Going out could lead to unnecessary extravagance.
SAGITTARIUS
(Nov. 22 to Dec. 21)
Be sure to consult with partners before committing yourself to a major expenditure. Overall, it's a day to keep a careful eye on financial matters. It's nothing serious, but be aware of others' feelings, as partners are prone to be overly sensitive.
CAPRICORN
(Dec. 22 to Jan. 19)
You'll profit from some expert advice about a career concern, but don't mix business and pleasure. Partners also demand your attention. A relative could temporarily put a damper on your plans for travel.
AQUARIUS
(Jan. 20 to Feb. 18)
Try to be upfront with others. Evasiveness will only complicate your relationships. While you sort things out, others could feel neglected, hurt or misunderstood.
PISCES
(Feb. 19 to March 20)
Avoid unwise expansion in business and excessive personal spending. You have to stay on your toes, so be vigilant and prudent. Although nothing of major consequence happens, it still is not the best time for getting your way.
YOU BORN TODAY are ambitious and you work well with groups. Your spirit of cooperation and good will toward others is positively infectious. Others seek you out in order to be part of your social and business sphere. This magnetism works well in politics, business and sales ventures. Financial security is important but not uppermost in your goals.
