## Horoscope by Frances Drake

For Friday, Jan. 23, 1998  
**ARIES**  
(March 21 to April 19)  
This is a day of new beginnings for you at work. Thus, it's a wise idea to set up some relevant meetings in order to start implementing this. Take time to focus on what your major priority is and then accomplish this.  
**TAURUS**  
(April 20 to May 20)  
While you usually shy away from making extensive commitments to "club" activities, you will find yourself a more active participant than you'd originally planned. People are looking to you for much-needed leadership.  
**GEMINI**  
(May 21 to June 20)  
You could find yourself getting involved with a project in which the ultimate goal is to the benefit of humanity. This magnanimous, unselfish spirit will inspire others around you, making this a real family effort.  
**CANCER**  
(June 21 to July 22)  
Your self-confidence is at an all-time high, leaving you in a wonderfully buoyant, productive mood. It seems nothing you say or do is wrong, so take advantage of this. It could be a good time to consult with bigwigs on some innovative changes.  
**LEO**  
(July 23 to Aug. 22)  
If you have ever pictured yourself wheeling and dealing, this is the day for you. Buying and selling seem to be in the stars right now, so go ahead and haggle! Not only will you find some really good bargains, but new opportunities await.  
**VIRGO**  
(Aug. 23 to Sept. 22)  
Your sharp mind is ever on the alert for new challenges. Thus, this day will really satisfy this cerebral bent. An exciting challenge will capture your interests and attention, giving you renewed enthusiasm at work.  
**LIBRA**  
(Sept. 23 to Oct. 22)  
This is a day for the wonderful world of reading to beckon to you. Go through your home library to weed out those books that are not actual

assets to your collection. Consider purchasing some that would add on value.  
**SCORPIO**  
(Oct. 23 to Nov. 21)  
Recreational pursuits are favored by the stars, so enjoy this. It's a good time for families to spend together, as well as a wonderful time for couples to renew romance. Anything of a creative nature is also accentuated.  
**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
With the dawn of the new day, it's a good time to get involved in new projects and tasks that formerly may have frightened you off. You have the necessary energy and creativity to tackle these things.  
**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Any contractual commitments or agreements you make will be quite profitable for you in the future. It is a day for partnerships and cooperation. As a result, productivity is heightened, but take some time to celebrate.  
**AQUARIUS**  
(Jan. 20 to Feb. 18)  
This is a good time to consider revising long-term financial plans about retirement. Be sure to study whatever options are available to you in this area. Perhaps you should set up meetings with experts in the field.  
**PISCES**  
(Feb. 19 to March 20)  
Advice received concerning a business situation is right on the mark and you would be wise to heed this. You face a decision concerning travel or an educational matter. Family relationships blossom.  
**YOU BORN TODAY** are independent and possessed of an iron will. You often choose a creative medium through which to express your individuality, although you have a keen business sense. At times, you can let stubbornness get in the way of your progress. Once you learn how to work more cooperatively with others, you are more successful. Law, writing, education and publishing are some of the fields that promise you fulfillment.
