Horoscope by Frances Drake

For Monday, Jan. 26, 1998

ARIES (March 21 to April 19)
You feel harried on the job. Getting mad won't eliminate delays. Evening hours are favorable for love and friendship.

TAURUS (April 20 to May 20)
It's an opportune time to seek loans or make important financial decisions. Enjoy a movie or other entertainment with a friend after dark. Connections behind the scenes will prove very beneficial and exciting.

GEMINI (May 21 to June 20)
Others aren't easily convinced. It's best to mind your own business. You could feel frustrated on the job, but remember to handle bosses tactfully.

CANCER (June 21 to July 22)
A problem about money could arise with a friend. You'll opt for time by yourself during evening hours. Enjoy home interests with family.

LEO (July 23 to Aug. 22)
Your ego could get ruffled early in the day. Try not to force issues, especially on the job. Shopping and domestic matters highlight the evening hours.

VIRGO (Aug. 23 to Sept. 22)
Financial pressures could make you short-tempered. Home seems the perfect place to unwind after a trying day at the office. Your timing could be off, so avoid going to the extreme.

LIBRA (Sept. 23 to Oct. 22)
Having to wait has you in a soiled mood. However, try to take delays with equanimity. Let yourself go somewhere special with a loved one, as this will ease some strain in the romance department.

SCORPIO (Oct. 23 to Nov. 21)
You're excited about new career

prospects, but don't leave to others what you can do yourself. Enjoy quiet recreation. If you fail to honor commitments, it will cause some uneasiness in close relationships.

SAGITTARIUS (Nov. 22 to Dec. 21)
Don't go over your head in investments. You need to research further on a subject that you know little. Stop yourself from embellishing the facts and watch slips of the tongue.

CAPRICORN (Dec. 22 to Jan. 19)
Greed must be curtailed, but ingenuity combined with common sense brings rewards in career interests. Finances improve. There are both pluses and minuses in your social life after dark.

AQUARIUS (Jan. 20 to Feb. 18)
Romance seems somewhat problematic, since you may not be in a social mood. Mental work and domestic decisions are accentuated. A little moderation is the wise course for fun times.

PISCES (Feb. 19 to March 20)
Moneymaking ideas are workable, but don't spend in anticipation of future profits. Extravagance must be curtailed. Be careful not to promise more than you can deliver.

YOU BORN TODAY do well in positions of authority and have a knack for getting along with others. You might be drawn to law and politics, as well as teaching and research. Creative and sensitive, you seek out hobbies in which you can express yourself in those areas. Children and family are valued assets to you and you do everything in your power to safeguard them. You weigh decisions carefully and consider all the consequences before taking action.
