Horoscope by Frances Drake

For Wednesday, Jan. 28, 1998

ARIES

(March 21 to April 19)

Pay no heed to another's negativity. You're on the right track regarding your career interests. Be more positive about your social prospects and you meet with chances for fun.

TAURUS

(April 20 to May 20)

You could be overly cautious, but luck is with you regarding investments and career. Go ahead on a planned domestic project. A work concern can get you down, but you'll snap out of it in time for some fun.

GEMINI

(May 21 to June 20)

Once you overcome self-doubt, you're on your way to career gains. Take the initiative. Others give you encouragement.

CANCER

(June 21 to July 22)

If you hurt a family member's feelings, make amends. A shopping trip leads to new possessions for the home. Lack of funds shouldn't keep you from having a good time, especially when you're with people you care about.

LEO

(July 23 to Aug. 22)

Although a friend seems unsympathetic about your financial situation, you'll find new ways to increase income and further ambitions. Be less suspicious of others' motives. Friends and family sincerely want to make you happy.

VIRGO

(Aug. 23 to Sept. 22)

You're concerned about hurting another's feelings, but this time it's all right to act in your own behalf. Throw off career concerns and enjoy the day's chances for good fellowship with others.

LIBRA

(Sept. 23 to Oct. 22)

You're right to concentrate on your career, but save a few moments for a loved one. Ingenuity leads to finan-

cial gain. You'll need tact with an admirer you don't fancy.

SCORPIO

(Oct. 23 to Nov. 21)

Questions of intimacy require sensitivity. An unexpected work assignment comes your way. Make decisions regarding joint expenditures.

SAGITTARIUS

(Nov. 22 to Dec. 21)

Trying to figure out what a romantic interest really means intrigues you, but don't let it interfere with job efficiency. Concentrate! Undercurrents affect family ties.

CAPRICORN

(Dec. 22 to Jan. 19)

After all these years, testing a family member seems inappropriate. Give to others without attaching any strings. Doing something new and exciting together is favored!

AQUARIUS

(Jan. 20 to Feb. 18)

A friend plays cute and hard to get. Are you sure you want to be led on this way? You'll come up with new ways to increase income.

PISCES

(Feb. 19 to March 20)

Although behind-the-scenes work on your career is favored, clandestine involvements in your personal life are not. Go by the rules. A business meeting has romantic overtones, but the potential is there for a sticky relationship.

YOU BORN TODAY, like many of your sign, are a progressive thinker with a pioneering spirit. Despite your apparent sociability, there's a part of you that you keep to yourself. In the midst of merriment, you're a bit aloof. Although you'll succeed in business, you're often drawn to less-material matters. In fact, you prefer to be creative over just making money for money's sake. The educational field often appeals to you as well.
