Horoscope by Frances Drake

For Friday, Jan. 30, 1998

ARIES

(March 21 to April 19)

Although increased rapport with a
close tie makes for happiness, you
both have to curb a tendency to spend
beyond your means. A friend in-
volves you with a personal problem,
but you should expect real progress
at work.

TAURUS

(April 20 to May 20)

Happy news comes from afar, but
stick to tried-and-true methods car-
eer-wise. Curb eccentricities that
could irritate a higher-up. Patience
is usually your virtue, yet you could
be anxious about success.

GEMINI

(May 21 to June 20)

Don't be reluctant to face a domestic
responsibility. Later, you'll want
some privacy for yourself. Although
career progress is assured, you seem
to be troubled inwardly.

CANCER

(June 21 to July 22)

Be more optimistic about a work
project. At the same time, face facts.
Unexpected expenses could arise
while you are having fun.

LEO

(July 23 to Aug. 22)

Find less costly ways to have fun.
Your domestic routine is liable to be
upset in some way. Be flexible. Shop
for the home. Use care in speech,
since misunderstandings could arise
later.

VIRGO

(Aug. 23 to Sept. 22)

The day begins on an inspirational
note, but duties relating to others
have to be attended to later. Domest-
ic interests are favored, but ethical
considerations are paramount on the
job.

LIBRA

(Sept. 23 to Oct. 22)

You'll be invited to an unusual get-
together. Follow through on ideas
regarding education and self-im-
provement. Research could cause you
to change your mind about a pension
or investment.

SCORPIO

(Oct. 23 to Nov. 21)

Catch up with uncompleted tasks
before socializing with others. Rec-
tify a situation that rumor or gossip
has rendered confused. Social life
has much going for it, but a money
question still could be sticky.

SAGITTARIUS

(Nov. 22 to Dec. 21)

Shop for home, or invite others to
visit. If you decide to dine out, watch
expenditures. Common sense should
win out over flights of fancy.

CAPRICORN

(Dec. 22 to Jan. 19)

Domestic life is favored, and you'll
be able to straighten out difficulties
with a close tie. Be ready for a heart-
to-heart talk. Despite some job ten-
sion, you'll come out ahead with
improved prospects for financial
gain.

AQUARIUS

(Jan. 20 to Feb. 18)

You needn't bend the rules to get
ahead. Normal channels will pro-
vide you the opportunity to better
your career status. Love, sociability
and friendship make for happiness,
but an intimate problem has you
somewhat embarrassed.

PISCES

(Feb. 19 to March 20)

If you don't discuss money or in-
vestments in dealing with friends,
your social life will proceed smoothly.
Sociability abets career. Those seek-
ing power and influence will have
their chance, but avoid stepping on
the toes of others.

YOU BORN TODAY are both ad-
venturous and introspective. You
have a way with people, yet part of
you remains on the sidelines. Your
intuition is highly developed and
you're often drawn to politics. You
speak out on the issues that concern
you and may have an interest in
show business as well. Though you're
tolerant, at times you can be critical.
Every once in a while, you have to
remind yourself to see the other
fellow's point of view.

Birthdate of Louis Rukeyser,
economist; Vanessa Redgrave, ac-
tress; Gene Hackman, actor.
