Horoscope by Frances Drake

For Wednesday, Feb. 4, 1998
ARIES
(March 21 to April 19)
A routine trip to the dentist or doctor for a checkup is long overdue, so make it a priority. A late-day phone call brings good financial news.

TAURUS
(April 20 to May 20)
You're in a bit of a slump and really don't feel up to doing much. It's all right to let some things slide; however, you must tend to some other tasks.

GEMINI
(May 21 to June 20)
A child causes some concern early in the day. Later, you apply yourself to your work. Evening entertainment doesn't have to be costly to be fun.

CANCER
(June 21 to July 22)
Your artistic side is showing. For the best results, utilize your talents carefully. Flighty ideas should be identified and discarded.

LEO
(July 23 to Aug. 22)
You might be tempted to put responsibilities aside and basically take the day off. First, however, you need to determine what the effects of that would be.

VIRGO
(Aug. 23 to Sept. 22)
News you receive early in the day has you glowing. Apparently nothing can jar you out of your sunny mood. Try to make it an early night.

LIBRA
(Sept. 23 to Oct. 22)
You spend the early part of the day tying up loose ends. Later, you can breathe a bit easier. A child's evening antics try your patience.

SCORPIO

130 CARS/TRUCKS
