Horoscope by Frances Drake

For Tuesday, Feb. 17, 1998

ARIES

(March 21 to April 19)

You neatly sidestep a tricky situation. However, you will still have to deal with this at a later date. An evening diversion proves pleasurable.

TAURUS

(April 20 to May 20)

Unfortunately, you become involved in a bit of an imbroglio on the work front. Once you've taken a stance, it's difficult to back down. Peace is restored by day's end.

GEMINI

(May 21 to June 20)

The idea you think is so brilliant really isn't workable. Thus, you'll have to go back to the proverbial drawing board. Later in the day, an outdoor activity clears your head.

CANCER

(June 21 to July 22)

Stop trying to make excuses for a friend's behavior. This person is both immature and manipulative. Once you realize this, you can make a decision about whether to continue the relationship.

LEO

(July 23 to Aug. 22)

Your leonine attractiveness shines through and you're the life of the party. Do be sure, however, to tend to an important project at work before getting out and about.

VIRGO

(Aug. 23 to Sept. 22)

You're carrying a feud a bit too far. Is your pride really all that important? Go ahead and make that healing phone call right away!

LIBRA

(Sept. 23 to Oct. 22)

A surprise is in store for you communications-wise. It's a good day for getting some household chores out of the way. Loved ones lend a needed

hand.

SCORPIO

(Oct. 23 to Nov. 21)

Although a bigwig is singing your praises, you're mildly uncomfortable about this. Don't be! You've earned the kudos, effusive though they may be.

SAGITTARIUS

(Nov. 22 to Dec. 21)

A shopping expedition has you tempted to spend money you don't have. Window-shopping is a better idea. Evening hours should be devoted to the needs of children.

CAPRICORN

(Dec. 22 to Jan. 19)

A senior member of your family needs some extra attention. Instead of phoning, make it a point to visit. A work assignment temporarily baffles you.

AQUARIUS

(Jan. 20 to Feb. 18)

Singles are easily charmed by someone's physical appearance. However, look below the surface for the true nature of this person. Avoid an evening entertainment that's a bit risky.

PISCES

(Feb. 19 to March 20)

Don't give in to the suspicious side of you. Instead, learn to trust more. A loved one is reaching out to you.

YOU BORN TODAY are possessed of an almost frenetic energy. You have to constantly be in motion and keep busy. Faced with a decision, you take the most hands-on approach possible. A natural athlete, you seek a career that indulges this physicality. Those in your immediate sphere are understanding and supportive of your special needs and talents.

Birthdate of: Alan Bates, actor; Margaret Truman, author; Chaim Potok, writer.
