Horoscope by Frances Drake

For Wednesday, Feb. 18, 1998

ARIES
(March 21 to April 19)

It's decision-making time. Whether a domestic or work concern, you have no room to vacillate. Once this is resolved, you can relax.

TAURUS
(April 20 to May 20)

Answering phone calls, e-mail and snail mail clears your schedule for an important work project. A direct inquiry deserves a direct answer. Be candid.

GEMINI
(May 21 to June 20)

A new hobby or interest captivates you. However, you need to be sure to tend to that project at work. Evening hours can be devoted to your new diversion.

CANCER
(June 21 to July 22)

You feel as though a big weight has been removed from your shoulders. Cares of the past simply melt away. Share this good mood with loved ones.

LEO
(July 23 to Aug. 22)

Some start the day with a bit of a hangover. However, as time goes on, you regain your admirable energy. You can be quite productive.

VIRGO
(Aug. 23 to Sept. 22)

You're being a bit petty and you know it. You need to lighten up on that loved one. Once you do, harmony is assured.

LIBRA
(Sept. 23 to Oct. 22)

Your creative juices are flowing quite nicely. In fact, you're positively inspired. A late-night excursion proves educational.

© 1998 King Features Syndicate Inc.

SCORPIO
(Oct. 23 to Nov. 21)

This isn't the time to let your guard down. Stick to your usual diligence on the work front. A domestic concern takes up the evening hours.

SAGITTARIUS
(Nov. 22 to Dec. 21)

You've set your sights on a goal and that's admirable. However, don't be so focused on this that you ignore the needs of friends and family.

CAPRICORN
(Dec. 22 to Jan. 19)

A co-worker has a helpful suggestion that you'd be wise to heed. On the home front, a child is being a bit uncooperative. Be sure to lay down the law.

AQUARIUS
(Jan. 20 to Feb. 18)

You're all work and no play as you go about your day. As a result, you accomplish much more than you'd thought you would originally. Feel free to relax during evening hours.

PISCES
(Feb. 19 to March 20)

You have more time than you think to complete your tasks. If you cram them into one day, you're more apt to make mistakes. An evening entertainment is a nice diversion.

YOU BORN TODAY are very particular about your home and your clothes. Cleanliness and neatness are of paramount importance to you. Some view this as a bit compulsive, but you are happiest when everything is in order. Your logical mind embraces mathematics and science most readily. Careers related to those interests are successful.

Birthdate of: John Travolta, actor; Toni Morrison, writer; Cybill Shepherd, actress.
