190 OPPORTUNITIES

Horoscope by Frances Drake

For Friday, March 6, 1998
ARIES
(March 21 to April 19)
A close tie could introduce you to
some new friends. Innovative meth-
ods bring career success, and invest-
ment matters turn out well. Political
discussions don't go favorably.
TAURUS
(April 20 to May 20)
Although a career opportunity
comes your way, don't let it go to your
head. Surprise meetings and new
friendships are on your agenda.
Travel and cultural matters are fa-
vored.
GEMINI
(May 21 to June 20)
Watch out for ill-founded assump-
tions. You work well from the side-
lines, but avoid fantasizing. Be on
your guard against financial propos-
als that are not feasible.
CANCER
(June 21 to July 22)
You're enthusiastic about new
monetary prospects, and could be
careless about expenditures. Utilize
creativity. Romance is favored. A fam-
ily member could let you down.
LEO
(July 23 to Aug. 22)
Make long-range domestic plans
despite the fact that you could be
bewildered by a relative's behavior.
Romance is exciting. A deception or
misunderstanding could occur on the
job.
VIRGO
(Aug. 23 to Sept. 22)
You get new career opportunities,
but could receive some faulty advice.
A meeting with close ties brings out
pleasant surprises. You might be
uncertain about your feelings.
LIBRA
(Sept. 23 to Oct. 22)
Creative types should meet with
agents and advisers. A minor dis-
pute is possible regarding a bill. Close
ties exhibit changeable dispositions.
SCORPIO

(Oct. 23 to Nov. 21)
There are many loose ends to be
tied up regarding a career venture.
Some people aren't being straight-
forward with you. Socialize after
dark.
SAGITTARIUS
(Nov. 22 to Dec. 21)
You make a purchase that's des-
tined to make you proud. Take the
initiative in planning good times with
a loved one. You come up with an-
swers about a troublesome business
matter.
CAPRICORN
(Dec. 22 to Jan. 19)
You have a tendency to daydream.
You meet with mixed reactions from
friends. Evening hours favor hob-
bies, romance and cultural activi-
ties.
AQUARIUS
(Jan. 20 to Feb. 18)
You might consider a job that can
be done from home. Make plans for
an exciting trip. Find an outlet for
extra creative energy. An on-again,
off-again deal could try your patience.
PISCES
(Feb. 19 to March 20)
Although you can't count on friends'
help with a work project, you still can
enjoy a stimulating exchange of ideas.
A career move pays dividends. Re-
frain from mixing business with plea-
sure.
YOU BORN TODAY are creative
and a fine communicator of your
ideas. You have an adventurous ap-
proach to life and are always willing
to take a chance. You also have a
natural interest in the unusual in
experience. You'd make a fine story-
teller and a good researcher into the
mysteries of life. You also have a
metaphysical side and could become
a wise counselor to others.
Birthdate of: Federal Reserve
Chairman Alan Greenspan; Gabriel
Garcia Marquez, writer; Shaquille
O'Neal, basketball player.
