**Horoscope by Frances Drake**

For Friday, March 13, 1998

**ARIES** (March 21 to April 19)  
A competitor in business could irk you, but you'll end up a step up the ladder of success. New career opportunities give you much to be happy about.

**TAURUS** (April 20 to May 20)  
A friend could get on your nerves early in the day, but otherwise it should be a grand time for you socially. Partners and friends are sources of happiness.

**GEMINI** (May 21 to June 20)  
You might not see eye to eye with an adviser. However, you have luck where financial interests are concerned. Investigate investment options.

**CANCER** (June 21 to July 22)  
You're in a rush to get things done, but try not to step on anyone's toes in business. Luck comes through agents, advisers, publishers and travel.

**LEO** (July 23 to Aug. 22)  
A quarrel could arise with a friend about money. An opportunity you've been waiting for in business comes your way. The day promises you recognition and financial rewards.

**VIRGO** (Aug. 23 to Sept. 22)  
Be a sensible driver, and try to be on time for appointments as well. Your natural social graces are called into play. You're a hit at a party in the evening.

**LIBRA** (Sept. 23 to Oct. 22)  
Be careful that you don't snap at a family member. You could devote some energy to a community project.

**SCORPIO**
