## Horoscope by Frances Drake

For Wednesday, April 8, 1998

**ARIES**  
(March 21 to April 19)  
You're happy in the company of friends and are feeling good about yourself. Don't let anyone take advantage of you. At work, you're on your toes.

**TAURUS**  
(April 20 to May 20)  
You run into an item when shopping that seems too good to pass up. Pay no heed to rumors making the rounds about a certain friend.

**GEMINI**  
(May 21 to June 20)  
You receive good news, but you still might not know how to handle a perplexing home situation. Try to remain patient.

**CANCER**  
(June 21 to July 22)  
You could make a major purchase for the home or find some luxury item that appeals to you. Watch out for errors in judgment when socializing after dark.

**LEO**  
(July 23 to Aug. 22)  
Be sure to concentrate while at work. Romantic possibilities are plentiful. Leisure activities are fulfilling. Don't spoil a nice time by letting self-indulgence get out of hand.

**VIRGO**  
(Aug. 23 to Sept. 22)  
You're excited by new work possibilities. Don't be too let down if others don't show as much enthusiasm as you do. It's enough that you care. In fact, you carry the day.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Loved ones are impressed with you just the way you are, so you needn't outdo yourself with the purchase of gifts that you cannot afford.

**SCORPIO**

(Oct. 23 to Nov. 21)  
Good, old-fashioned fun is yours to enjoy. When it comes to career interests, your reasoning could be off the mark. Face issues squarely.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
You should accept an opportunity to go away. There are plenty of worthwhile chances within your grasp, so don't hanker after an impossible dream.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
Things are looking up for you in your career, and you're in an expansive mood. It's all right to be generous, but don't let others impose upon you. Scrutinize requests carefully.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
Despite a happy day in the company of friends and loved ones, there's a tendency for escapism after dark. It's a good day to make that long-overdue medical appointment.

**PISCES**  
(Feb. 19 to March 20)  
Although you make behind-the-scenes progress on career endeavors, you still need to keep hopes realistic. Don't get carried away.

**YOU BORN TODAY** are not someone who can easily be swayed by others' opinions. You are confident in your ideals and are not afraid to live your life by them, no matter how unpopular they are. Those around you admire your high-mindedness and strive to emulate you. A tendency to be judgmental sometimes trips you up, however. Fields of interest include teaching, journalism and religion.
