## Horoscope by Frances Drake

For Monday, April 13, 1998

**ARIES**  
(March 21 to April 19)  
Spend less time finding fault with your friends and more time letting them know you love them. Introductions are romantic in nature. Avoid silly flirtatious behavior.

**TAURUS**  
(April 20 to May 20)  
You gain a new perspective on an old problem. Accent artistic accomplishments. Later in the day, a big-wig poses an interesting question.

**GEMINI**  
(May 21 to June 20)  
Paying that little extra attention to personal appearance makes the difference. It's your personality rather than your ideas that proves winning.

**CANCER**  
(June 21 to July 22)  
Deciding whether to buy something practical or offbeat is no problem for you, for you purchase a little of both. Avoid being overly indulgent.

**LEO**  
(July 23 to Aug. 22)  
Forgo a tendency to criticize. Honey wins more flies than vinegar. Your judgment is sound in money matters. Words of love induce romantic harmony. Do not be manipulative.

**VIRGO**  
(Aug. 23 to Sept. 22)  
Do-it-yourself projects aren't especially favored, but home entertaining is. The good thing is, you don't have to spend much money.

**LIBRA**  
(Sept. 23 to Oct. 22)  
An aunt or uncle could be seeking your company. Leisure activities are highlighted, with an accent on either romance or offspring. Feel free to put work concerns aside.

**205 HELP WANTED**

**CELWAVE RF, A Division Of Radio Frequency Systems, Inc.**

4100 SW Research Way  
Corvallis, OR 97333

Celwave Corvallis, located in Sunset Research Park, in the heart of the Willamette Valley, is a leading manufacturer of components and subsystems for the wireless communications market. We are seeking highly skilled and creative engineers and support staff to be a part of our fast growing R & D team. We currently offer the following positions:

**Documentation Specialist**

Our documentation team needs a person with good communication and organizational skills to generate and maintain BOMs, procedures, and product design drawings from sketches, marked drawings and verbal instructions. Familiarity with BPCS, Word, Excel, AutoCAD and related software is desirable.

**Draftsperson**

Our documentation team is looking for a certified AutoCAD drafter to prepare and revise complex electronic assembly drawings, schematics and other CAD documents under limited supervision. Independent judgment, familiarity with drafting standards, and ability to perform engineering computations in support of RF design teams is required. A completed 2-year program at a technical school and at least 2 years of drafting experience in the electronics industry is desirable.

We offer a stimulating environment and competitive compensation package. An equal opportunity employer.
