Horoscope by Frances Drake

For Tuesday, April 14, 1998

ARIES

(March 21 to April 19)

It's good to be diligent, but you're actually making too much of an effort. If you relax a bit and lessen the tension, you can accomplish more.

TAURUS

(April 20 to May 20)

Something unusual occurs during the morning, and you deal with it effectively. Later in the day, be sure to express your appreciation for the help you received from a co-worker.

GEMINI

(May 21 to June 20)

Travel is in the stars, but it isn't imminent. Prepare for the trip carefully. You need to be sure your budget can accommodate your plans.

CANCER

(June 21 to July 22)

You're in a lighthearted mood as the day begins, and it carries through even though something that occurs at work isn't to your liking. Evening hours stress family togetherness.

LEO

(July 23 to Aug. 22)

You're creatively inspired. Those with talent for the written word begin work on a new manuscript. Later in the day, save some time for romance.

VIRGO

(Aug. 23 to Sept. 22)

You need to put things innovative in order to get your finances in order. You might take on free-lance work or an extra job. However, don't neglect your health.

LIBRA

(Sept. 23 to Oct. 22)

You need to put things in perspective. You can be overly sensitive, and this is one of those times. If you get your emotions in check, you can deal

with things more effectively.

SCORPIO

(Oct. 23 to Nov. 21)

It's fine to be frugal, but you're being downright cheap! If you let go of those purse strings a bit, everyone will be happier. Your mate in particular is affected.

SAGITTARIUS

(Nov. 22 to Dec. 21)

Ignoring a situation isn't in your best interests. As distasteful as it is, you must make a decision. Later in the day, you feel a sense of relief.

CAPRICORN

(Dec. 22 to Jan. 19)

Feel free to avoid that annoying co-worker with a penchant for self-aggrandizement. Be sure to pay attention to a family member after dark.

AQUARIUS

(Jan. 20 to Feb. 18)

You reach out to someone you've neglected — which restores the relationship, leaving you both feeling better. Evening hours are quiet and uneventful.

PISCES

(Feb. 19 to March 20)

Pay close attention to what a loved one is saying. You have a tendency to listen but not hear. The evening is good for tending to domestic chores you've been neglecting.

YOU BORN TODAY are strong and assertive and not easily influenced. You are usually the leader in any crowd. Others take comfort in your strength. You tend to see things in terms of black and white, but you have no shortage of compassion. Science and mathematics appeal to you.

You're probably not very artistic. Birthdate of: Sarah Michelle Gellar, actress; Greg Maddux, baseball player; Cynthia Cooper, basketball player.

205 HELP WANTED

CELWAVE RF, A Division Of Radio Frequency Systems, Inc.

4100 SW Research Way
Corvallis, OR 97333

Celwave Corvallis, located in Sunset Research Park, in the heart of the Willamette Valley, is a leading manufacturer of components and subsystems for the wireless communications market. We are seeking highly skilled and creative engineers and support staff to be a part of our fast growing R & D team. We currently offer the following positions:

Documentation Specialist

Our documentation team needs a person with good communication and organizational skills to generate and maintain BOMs, procedures, and product design drawings from sketches, marked drawings and verbal instructions. Familiarity with BPCS, Word, Excel, AutoCAD and related software is desirable.

Draftsperson

Our documentation team is looking for a certified AutoCAD drafter to prepare and revise complex electronic assembly drawings, schematics and other CAD documents under limited supervision. Independent judgment, familiarity with drafting standards, and ability to perform engineering computations in support of RF design teams is required. A completed 2-year program at a technical school and at least 2 years of drafting experience in the electronics industry is desirable.

We offer a stimulating environment and competitive compensation package. An equal opportunity employer.
