## Horoscope by Frances Drake

For Monday, April 20, 1998

**ARIES** (March 21 to April 19)  
You pay some attention to your physical appearance. In fact, a new hairdo or spiffy outfit boosts your spirits. An afternoon conversation with a colleague is enlightening.

**TAURUS** (April 20 to May 20)  
You've got those beginning-of-the-week blues. However, shake it off. There's much work to be done, and no one else can tackle it but you.

**GEMINI** (May 21 to June 20)  
Some mixed signals cause confusion as you begin your day. Later, a co-worker helps you straighten things out. Consider expressing your gratitude by buying him or her lunch.

**CANCER** (June 21 to July 22)  
You and a family member with whom you've had a contentious relationship suddenly find yourselves getting close. Enjoy the camaraderie. You'll find you have much in common.

**LEO** (July 23 to Aug. 22)  
Your pleas have fallen on deaf ears as far as bigwigs are concerned. Instead of being so whiny, look for concrete facts to bolster your case. A more businesslike attitude helps.

**VIRGO** (Aug. 23 to Sept. 22)  
A co-worker's inflated sense of self-worth gets on your nerves. However, leave it to others to give him or her a comeuppance. Tend to your duties instead.

**LIBRA** (Sept. 23 to Oct. 22)  
You're all business and deftly handle all that's on your agenda. Evening hours, though, are just the opposite. You relax and enjoy some quiet family time.

**SCORPIO** (Oct. 23 to Nov. 21)  
Wining and dining a romantic interest isn't enough. You need to prove that you really mean what you say. Actions are more important than words.

**SAGITTARIUS** (Nov. 22 to Dec. 21)  
You've crossed over the line of civility and are downright rude to a co-worker. Do your best to end this behavior. In fact, an apology is in order.

**CAPRICORN** (Dec. 22 to Jan. 19)  
A fresh start is just what you need, and you get it. A news item has you particularly attentive during afternoon hours. However, don't let it distract you too much.

**AQUARIUS** (Jan. 20 to Feb. 18)  
A family member's problems impede your progress. You're too wrapped up in that, and need to step back. Your relative is more than capable of taking care of matters.

**PISCES** (Feb. 19 to March 20)  
Don't be afraid to express your appreciation to your mate. A card or gift would do the trick and go a long way. A problem at work could find you putting in extra hours.

**YOU BORN TODAY appreciate** what it means to give rather than receive. Your generous spirit and kind nature win you much admiration and many friends. However, you aren't overly sensitive and can deal with the more unfortunate aspects of humanity in a steady, measured way. You are likely to turn to missionary work or medicine to be able to help as many people as you can. While you're not wealthy in material terms, you are a fulfilled person.
