## Horoscope by Frances Drake

For Tuesday, April 21, 1998

**ARIES**  
(March 21 to April 19)  
The excuses that others give might not be sincere, but that shouldn't deter you from going ahead with your plans. Excitement and enthusiasm reign after dark.

**TAURUS**  
(April 20 to May 20)  
A social get-together could do you a world of good, but it probably will take some effort on your part to get a close tie to accompany you. You both wind up having a wonderful time.

**GEMINI**  
(May 21 to June 20)  
Mixing business and pleasure might not sit well with a family member. It's a good time to keep your eye out for bargains. Domestic interests are favored as well.

**CANCER**  
(June 21 to July 22)  
You might experience rivalry in the romance department. Still, that is no reason for you to have a lousy time. The evening looks inviting. Intellectual conversations are stimulating.

**LEO**  
(July 23 to Aug. 22)  
Try to ward off a tendency to daydream during working hours. If not, you really don't accomplish much. Try to exercise self-control.

**VIRGO**  
(Aug. 23 to Sept. 22)  
If you and a close tie can put aside a difference of opinion, you'll have a wonderful time going out someplace special together. Accent leisure later in the day.

**LIBRA**  
(Sept. 23 to Oct. 22)  
Extra initiative puts you in the driver's seat. Work efforts prove financially lucrative. However, either you or a close tie tends to overspend

while out and about.

**SCORPIO**  
(Oct. 23 to Nov. 21)  
A difference in taste could be a source of irritation, but you're in sync with your partner. You might plan a special getaway for two. Singles meet with new romantic possibilities.

**SAGITTARIUS**  
(Nov. 22 to Dec. 21)  
Although family competes for some of your time, most of the day is devoted to getting ahead in your career. Luck is with you, so take advantage.

**CAPRICORN**  
(Dec. 22 to Jan. 19)  
There are reasons for optimism in the social sphere, but a close tie could become jealous of the attention you receive. Invitations come from afar.

**AQUARIUS**  
(Jan. 20 to Feb. 18)  
You could experience some envy on the job. Your major plans are best kept under wraps. Behind-the-scenes moves prove beneficial.

**PISCES**  
(Feb. 19 to March 20)  
Some compromise is needed with a close tie about a financial matter. Perhaps you can stall for time while you do further research. Close inspection is needed.

**YOU BORN TODAY** are not happy staying in one place. It seems you're constantly dashing to and fro in your frenzy to get things done. Once you finally do sit down to relax, you generally wind down totally. Fields of interest include auto mechanics and construction. Basically, you like most any field in which you can use your hands. Once you learn how to be less frenetic, your personal relationships improve.
